PUBLIC COMMENTS

July 2023

June 4, 2023

Good Afternoon Johnson County Library Board,

My name is Kendra Preston and I am one of the owners of Party Cube KC. My partner and I are former middle school teachers.

I've had the pleasure of working with some of your superb staff members at the Monticello Branch. I'm impressed with their knowledge and ability to engage the teenage audience.

There are a limited number of organizations in the area that offer summer activities for teens (middle and high schoolers) throughout the Johnson County area that are safe, engaging, and fun. Our service is designed to help fill in that gap. We are an inflatable tent rental service that allows clients to customize lighting and music based on their party needs. For teens, it's like having a nightclub in their backyard.

We would love to partner with you as we see all the value you bring to our community. If we could assist in any event, please let us know.

Our website is: partycubekc.com

We can also be found on all socials under @partycubekc.

I look forward to working with you in the future.

Sincerely,

Kendra Preston

Summer Teen Volunteer Program

About 1/3 of all active teen volunteers at Johnson County Library are participate in our Summer Teen Volunteer Program. Here are a few of the ways they volunteered:

- reviewed over 50 books
- played tabletop games with families
- helped execute the County's Juneteenth celebration at Lenexa City Center
- helped teach teens who are new to the U.S. about library resources available

Update New Youth Services Volunteer Opportunities

We interviewed six volunteers to assist with Storytime logistics at our Blue Valley and Corinth Branches this fall. These volunteers include former teachers, a nurse, and reading specialist to help with this popular program. These volunteers are currently undergoing background checks and will do training in August.

We have 15 volunteers who have expressed interest in helping with our Homework Help this fall. Since many of these volunteers are teenagers, the process to interview is taking a little longer. Our goal is to have four volunteers available one or two late afternoons a week this fall to help 2-5th graders with homework.

English Language Learners (ELL) Gains New Volunteers

We have 73 students who are currently participating in our virtual or in-person ELL classes. Thanks to spotlight from the Communication Team in the current issue of *Best Times* magazine, we have received numerous volunteer applicants to help with our language learner services. Several are shadowing facilitators this summer so they will be ready to teach in the fall trimester.

The Cycles we experience...

From the Beginning by Riley Strait

Pause, and capture me how I am now:
wrap me up in the minute we just lived:

make me your mosquito in amber -
ephemeral in life, eternal in death.

Freeze and pin me to your little brother's trifold -
turn me into grade-school, spelling-test vocab:

colorful, iridescent, delicate
(you can skip over dead).

If I jumped down your throat,
would you birth me again?

Would you swaddle me like a newborn,
and this time - maybe - I can get it right?

On second thought, leave me there: born again,
given a second chance - just to let it rot, ferment.

But don't throw me out for wildlife to get drunk on.
Store me in oak and let me live out my life there.

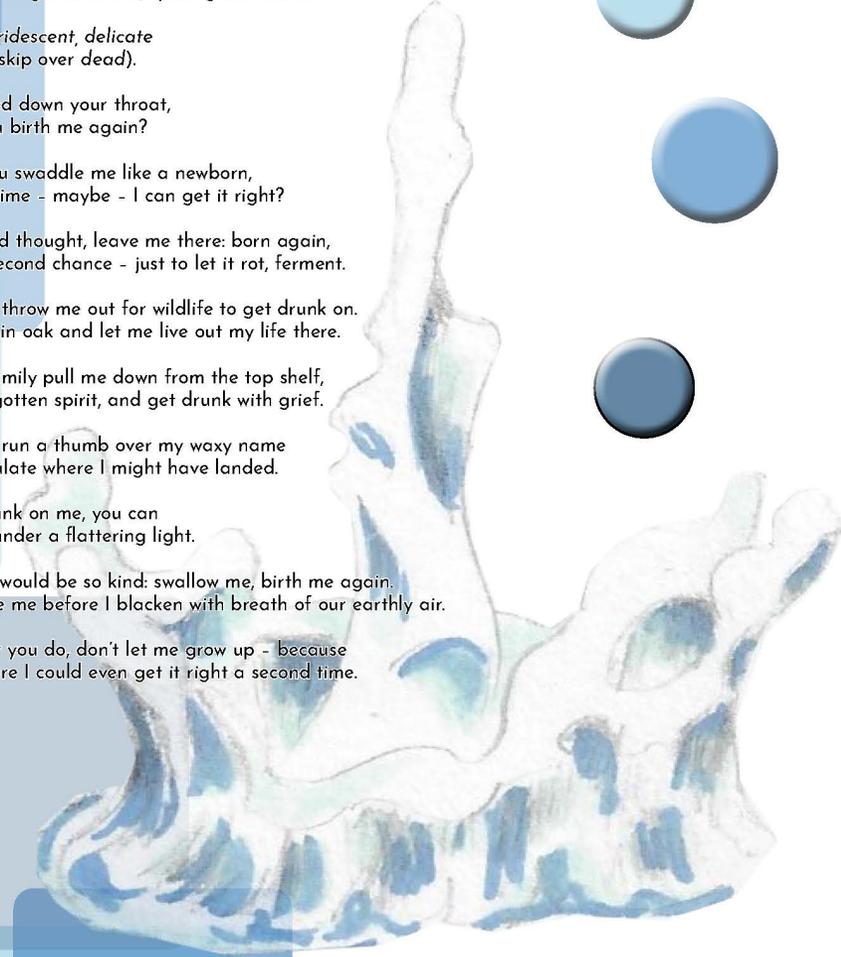

Let my family pull me down from the top shelf,
some forgotten spirit, and get drunk with grief.

Let them run a thumb over my waxy name
and postulate where I might have landed.

While drunk on me, you can
view me under a flattering light.

So if you would be so kind: swallow me, birth me again.
Then juice me before I blacken with breath of our earthly air.

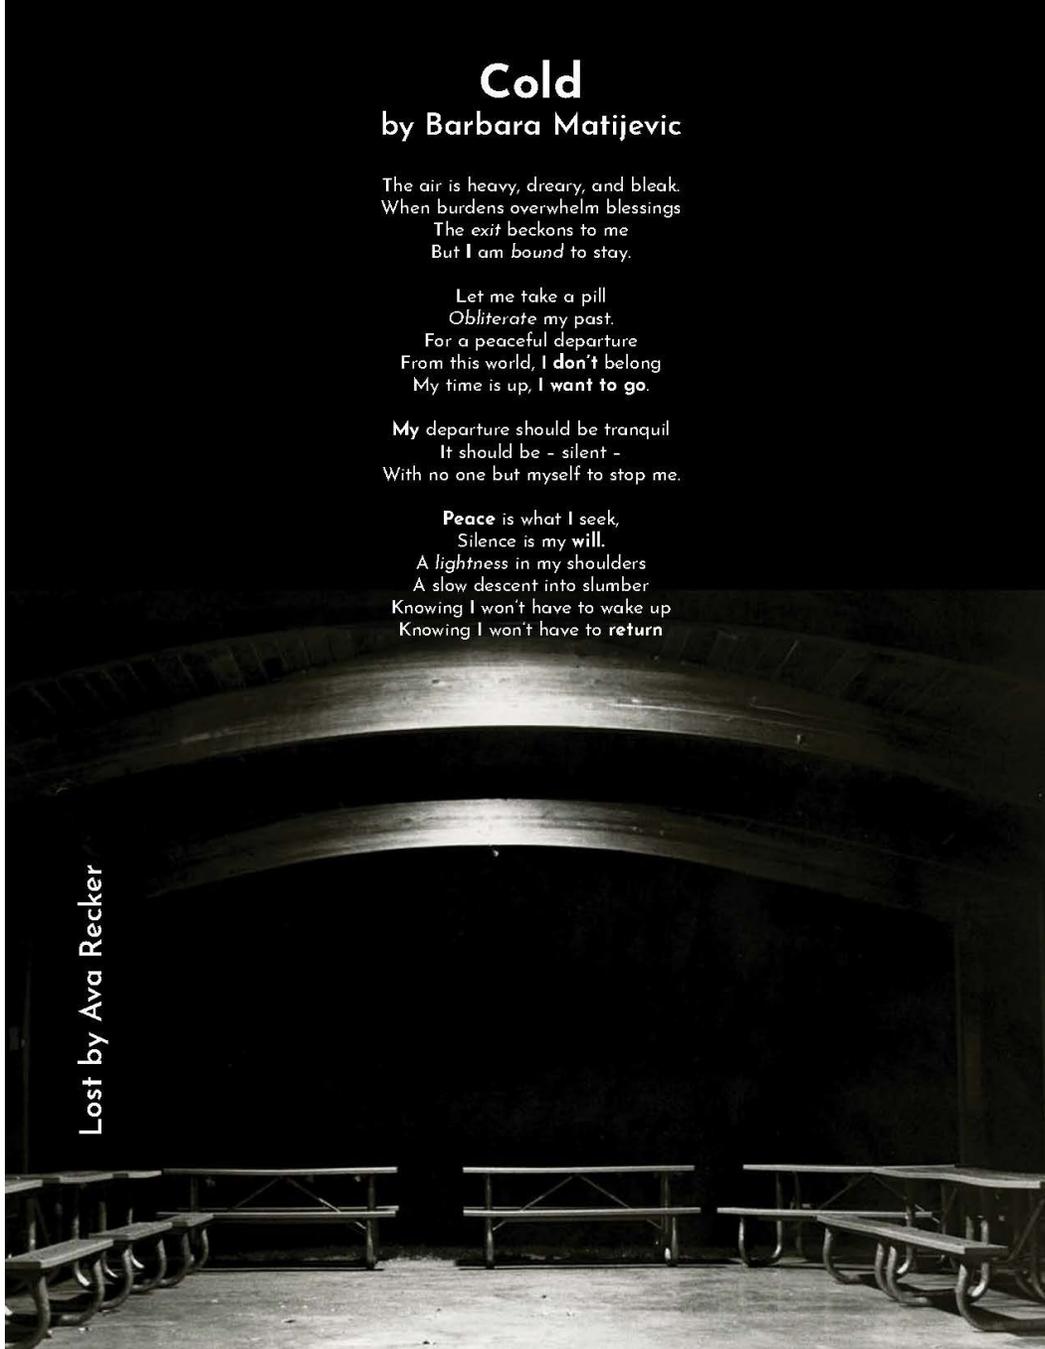

Whatever you do, don't let me grow up - because
I'm not sure I could even get it right a second time.

Cold by Barbara Matijevic

The air is heavy, dreary, and bleak.
When burdens overwhelm blessings
The *exit* beckons to me
But I am *bound* to stay.

Let me take a pill
Obliterate my past.
For a peaceful departure
From this world, I **don't** belong
My time is up, I **want** to go.

My departure should be tranquil
It should be - silent -
With no one but myself to stop me.

Peace is what I seek,
Silence is my will.
A *lightness* in my shoulders
A slow descent into slumber
Knowing I won't have to wake up
Knowing I won't have to **return**

Daisy Blumes by Barbara Matijevic

Bittersweetness prevails
As you set off your sails
Where a tumulus sea
once prevailed

Yet, here we are
With merely a scar.

Your breath is lighter
The world - brighter -
Days fly by . . .
You no longer wish to cry.

Treasuring the birds' tweets,
The softness of your bedsheets.
As springtime blooms,
With Daisy perfumes.

You're smiling . . .
Reconciling -
You're dancing . . .
Romancing -

Your self esteem
- soaring -
As you adorn heavens crown.

There's no need to *run*,
Put down the gun.

Life is worth living,
This is only the beginning.

Black and White by Farah Fehmi

I had a dream last night ...
I had a dream last night ...
You died!

I studied it for myself
Looked it up even
But couldn't wrap my head around it
Couldn't wrap my mind -

No worries
Just
Meet me in my eyes
What beautiful eyes
Black and white

It's casual!
Don't bring a suit
Black and white's a bore

Wow what a nice venue!
Black and white decor

Never leave these eyes
Never leave these eyes
Ne-ne-ne-never leave
Please

I finally found you
Why'd you leave
The party was bumpin'
Have I told you how much I love you?
You're black and white
You're (ir)resistible
What did I do wrong?
Everything was perfect
Even the breeze!

Hey
Have I told you about my dream last night?
Well I had a dream last night
That you died!
I've been trying to wrap my head around it
I've been trying to wrap my mind around it
The entire dream was in black and white
YOU were wearing black and white
It was disgusting

I'm glad I found you
How did you get lost in my eyes?
The whole thing's in black and white
Well ...
Not anymore
The entire venue's rusting

The green's contaminating everything
Even my eyes
No longer black and white
At least my folks are alive
But you aren't
You died!

In my dream you died?

In this dream you died?

Hey!

Where'd you go.

Why'd She Leave by Alex Dean

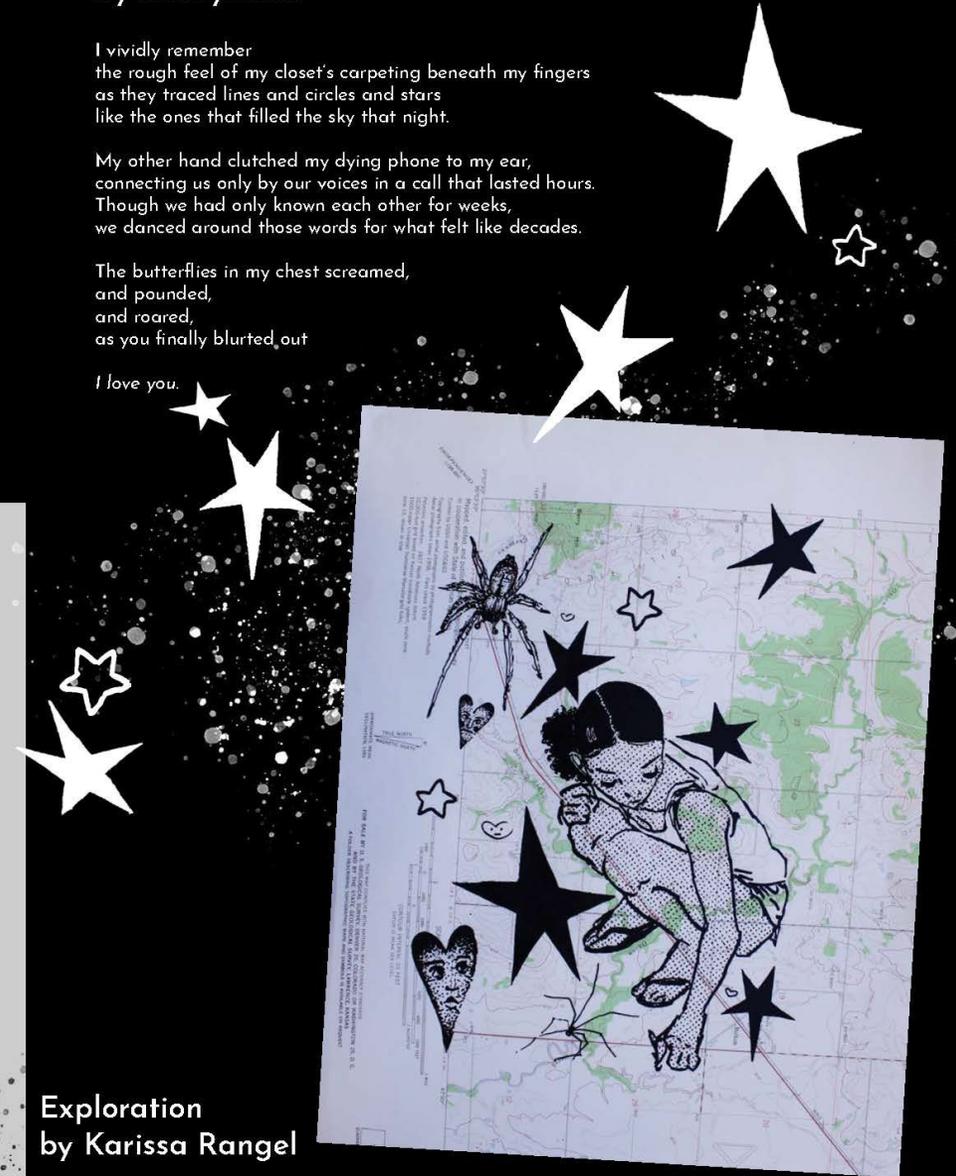

to the crab nebula and back by anonymous

I vividly remember
the rough feel of my closet's carpeting beneath my fingers
as they traced lines and circles and stars
like the ones that filled the sky that night.

My other hand clutched my dying phone to my ear,
connecting us only by our voices in a call that lasted hours.
Though we had only known each other for weeks,
we danced around those words for what felt like decades.

The butterflies in my chest screamed,
and pounded,
and roared,
as you finally blurted out

I love you.

All-American Adolescence

Tomorrow, I will worry about the future.
But today, I wallow in the past.

Tomorrow, I will be 16 and trying to remember
if the derivative of arcsin is one over
square-root-of-one-minus-u-squared
or *square-root-of-u-squared-minus-one*.

I'll think it's the first but I won't be sure -

I'll just choose C.

But today, I am 6 and rumbling in the elevator
of a hotel in some state a 13-hour car ride away
for summer vacation, and all I think about
is hotel breakfast and pool.

Tomorrow, I will get home past dinnertime and
make a list of the homework I need to do and
try to see which assignment might be negotiable
because there's just not enough time.

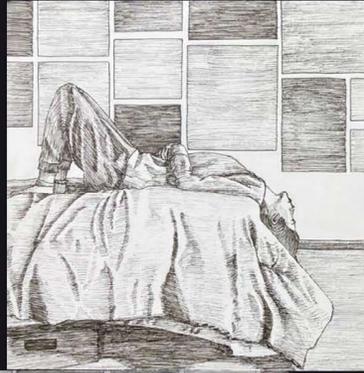

But today, I wear my light-up tennis shoes and
go to Target at opening, before school, to buy the
newest video game, and the only thing I need to do
is play it today, tomorrow, and the day after tomorrow.

Tomorrow, I will wake up middle-aged in a 16-year-old body,
limping out of bed with left-foot pain, an old injury flaring up.
I'll march sullenly off to school like a disillusioned soldier to war,
worn down from the lengthy battle of yesterday, today, and tomorrow.

But today, I am stuck at 6 and wish to fast-forward time -
but because I can't, I plan a life with childlike gravitas of all I want and more:
I play air saxophone, sketch my next masterpiece, write my great American novel.
Today, I will while away time, wanting to be 16.

Tomorrow, I will wake up a stranger in my body,
and I will get out of bed and squint at the mirror,
and think *When was the last time I shaved?* and
Since when have I needed to shave?

Tomorrow, I will realize that Today is gone.

Paradise Drive

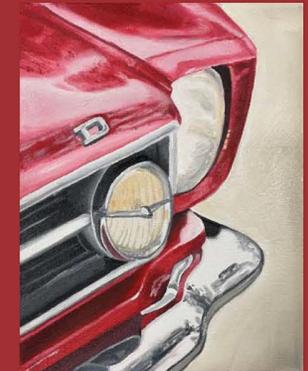

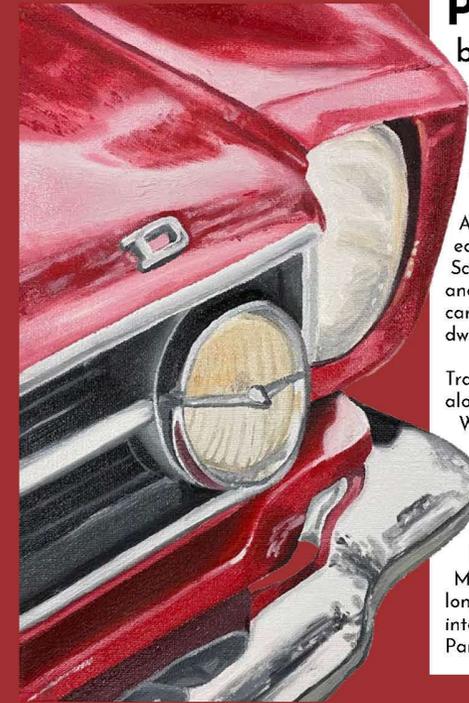

by Kayla Brethauer

Turquoise vinyl siding
a green darker than any Carolina marsh.
Twenty steps up to the front door.
Fifteen more to the bedrooms.
Will the luggage make it to its destination?

A new tenant
each week of the summer.
Schlepping around their swimsuits
and children and
canvas Aldi bags with a
dwindling number of snack foods.

Traffic ebbs and flows
along with those vacationing.
Weekend beach walkers
hoping to find a ghost crab or two, instead
find themselves photobombing a slew of family photos.

The tide washes in, and
rolls away
like the squealing tires of a travel-packed SUV.
Monday morning,
long after the last of the hatching turtles have waddled
into the sea - a silver minivan turns onto
Paradise Drive.

A Second Home

by Arielle Li

My most vivid recollections of China are filled with fond memories and blissful experiences. The smell of smoke and frying foods wafts through the air, and at night the streets are a disorienting mess of flashing billboards and street lights. Beggars rattle their cups on nearly every corner, hoping for a spare quarter or two, and cartoony murals cover the walls that line the streets.

I remember eating at the most delicious noodle place late at night; my small body would manage to consume the entire serving. The noodles and meat slices were generously piled in the bowl, and the hot beef broth would be so savory that I would somehow manage to eat more.

I remember having dinner with my mom's side of the family in front of the TV, watching 大头儿子和小头爸爸 (a cartoon show). We would laugh together over a shared understanding of animated characters performing simple tasks. I would eat straight from the bowl of 番茄炒鸡蛋 - my favorite dish - although it was intended for my family to share.

I remember my aunts buying me gold earrings and my grandfather joyfully gifting his grandchildren red packets of money. I would stare in awe at the sparkling clover earrings, and my mother would quickly confiscate the hongbao to "safekeep." Years later, when we asked for the money back, it was long gone.

I remember looking into the faces of my relatives and seeing the smile in their eyes despite our lack of a relationship. Although we were essentially foreigners, we had a blood bond, and that was all that mattered. I loved feeling my culture encase me; it felt like my life in an alternate dimension. Being with my relatives was all I cared about, rather than sightseeing at magnificent sites.

I would play Candy Crush on my aunt's phone and frolic with my cousins. We would buy trinkets from malls and play games at the arcade. We would go tubing and explore the city together. Despite being unable to communicate about more profound matters (my Chinese is not fluent), we loved each other.

Even though I spent only a month in China biennially, it felt like a second home. Near the end of our visit, our giant family tree would gather to eat at a fancy Chinese restaurant. The adults would order course after course, and waiters would set aromatic dishes on the Lazy Susan turntable. Those gatherings were the peak of my vacations, and my parents would be the happiest they would be for the rest of the year. I would be stuffed by the time the third dish arrived, and chopsticks would stretch out

and refill my plate before I could blink. A red glow would light up on the adults' faces that appeared after one too many drinks of alcohol. The joyful chatter in Shanghaiese was endless, filling my ears with dopamine and a heavy sense of nostalgia when I went home.

On the flight back, the image of my cousins' smiling faces would fade to a blur. The taste of our last meal together would be a wisp of air on my tongue. The sound of honking cars were replaced by the whir of the plane's air conditioner. If I imagined it, I could almost taste the ashy scent of cigarettes.

Certain things would teleport me back to China for a split second - a whiff of smoke, my parents discussing in Shanghaiese, hongbao gifted during Chinese New Year. These occurrences would happen less and less frequently, and eventually, the thought of China would gather dust in the back of my mind. But every two years, when I return to China, I experience the joy of China once more. And every two years, I hold these emotions dear until memories fade and the cycle repeats.

The Allure of Home

by Nitya Dave

Salty wind pushes at the falling tide.
Blue serenity veils the town as a
melancholy buzz flows through the idle docks.

A boat pushes through the harbor:
It drifts along,
lazily down.

The sun naps behind thick blankets of wool,
but begins to rouse.
Peeking out of its weft to
cast soft rays of light onto the cobblestone streets.

And as the fresnel lens sinks on the coast
to become a buoy in the skyline,
the town traps a yawn behind its teeth
as the edge of the earth dampens the day.

The hushed waves brush their fingers, lightly
against the stone village.
Tapping and lapping away at the sand floor.

The fish, under the film of the lulling water
nest on cool rock,
And snuggle into gentle wedges,
hiding from the retreating hooks
as their dreams begin to float to the surface.

It always starts as a clear spring day.
 Serene curtains, murmuring crowds, warbling musicians.
 "House closes in five."
 Here, time gets to stand still.

I tighten the laces of my boots, usher in stragglers, and click the entry firmly shut.
 Creak open a side door, slide gently into my seat,
 and push aside tangled mics to assure I've taken my cue.

"House to half."
 a sharp crackle in my ear, and

"5,"
 "4,"
 "3,"
 "2,"
 "1."

Blackout.

Every time the grand opens,
 I welcome the darkness,
 steady my too-shaky hand,

Without warning, a new world is born:
 Shabby frames turn into portals,
 something akin to magic takes hold,
 standing watch in a dark room

there's a moment
 to touse through my too-short hair,
 set my too-tight jaw, fill my inhale, and ...

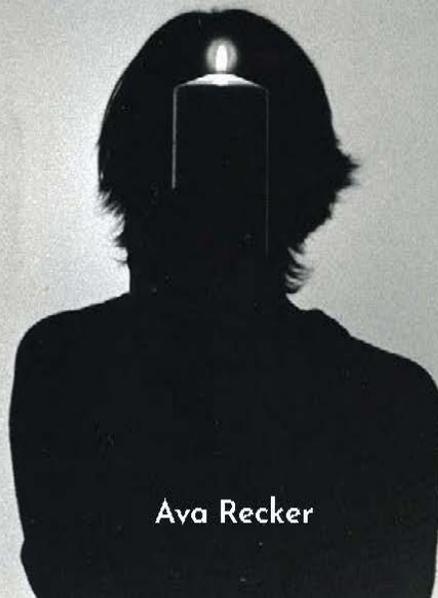

Click.

Sharp beams set scraps of wood aflame,
 a fourth wall shatters.
 I'm telling a story without words,
 knowing no one will ever realise I was there.

A Wistful Storm

by Lillian Flood

In all her many years, the woman did not think she ever witnessed anything as ugly as rain. It wasn't just the way it stuck to the ground, leaving muddy piles all over the city, littering the sidewalks with grime and built-up trash. No, what truly made her despise the stormy weather was the way it made her feel. It was such unworldly emptiness that captivated her, as if lightning had struck her directly in the chest. Just like it did on the streets outside, it would stay with her, the hollowness eating up her heart until the sun made rays of light through the clouds and she was able to breathe again.

How nobody else seemed to reciprocate such passionate feelings was beyond her. Many of her loved ones would dismiss her with a wave, scoffing that she could think such a pessimistic thing.

"You need to learn to appreciate the Earth more," her mother had once said, though it held no truth. The woman loved Earth and all it contained. It was just that, when she looked at the raindrops falling down the window of her car, she could see glimpses of a time when he was still around. When their silhouettes would cast dark shadows against the tiny window in her kitchen. When the radio would play some absurdly silly '70s song that fit the moment just right.

Forever ago – which actually wasn't forever ago – the thought of reminiscing didn't hurt as bad. But maybe because he was still sleeping next to her, his hair still stuck in her shower drain, his clothes still making a pile in the corner of her room. Maybe it's because, as she grew old, she found it difficult to picture the slope of his nose, the little curls of his hair, the birthmark on his left bicep. Maybe it's because you can never see the end coming, even if your hands are outstretched and eyes are wide.

After a while, she confined herself indoors, closing the blinds as the sound of raindrops made constant noise outside the walls of her apartment.

She stayed like this for half a year, each day a new weight. Some of this was spent in solitude; the rest was poor efforts at fake smiles and redundant inside jokes. One spring afternoon when winter felt impossibly distant, her friend came over, a coffee in one hand, an umbrella in the other. Without any greeting, any acknowledgment, she pointed to the window and, very solemnly, said, "It's raining."

The woman looked towards the sky and nodded. "I can see."
 "Your window is still open."

The woman's eyes widened. They were standing in the living room, by the largest of her windows. And her friend was right – without her even realizing, there had been a downpour in the weather, and slight drops had found their way into the interior of the apartment.

Her heart hurt. She rushed over, shutting the window loudly, and gave her friend a look. They were silent and still for a few moments before one of them sighed – the woman wasn't sure who – and her friend finally moved to shake her umbrella out near the front door.

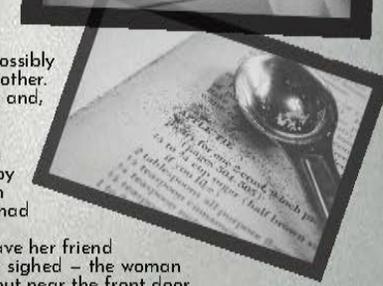

Later, when she couldn't sleep at night, the woman realized her heart didn't hurt from the pain of before, or the thought of him. She hurt because, for the first time in months, she had forgotten what it felt like for him to leave.

She found that while she forgot the stubble on his jaw, the tension in his shoulders, she also forgot the sobbing after days of nothing. The rage she felt when she repeated the story to her friends and family. The sound the door made when he shut it for the last time.

The unanswered phone calls. The opened texts.
 The way his voice caught when he said goodbye.

She had spent minutes, hours, days trying to find a way to be the person "after." After he left. After things changed. After her heart broke. She didn't know if she could handle waking up one day and just simply being fine. The woman had gotten so used to the pain, the way it left her eyes droopy and her fingers nervous, that she had allowed it to consume her.

They told you that love was worth everything, that if you had to choose something in life, choose love. But what was love if you lost yourself in the process? The woman didn't know. So she continued to dread the rain and all of its what-if questions. Some memories were best left ignored.

Indescribable, Unfathomable

Warmth.

Simple and mindless.

Basking in the leisure of

relief.

Carried, effortlessly, by the breezing winds

You exist

only in

My absence.

Why should the World want to summon you?

You bring

Drought, Wildfires, Destruction:

The stain you leave on

The world

That cannot handle your chaos.

The world.

A place I will not relinquish
To a force that fights for change.

La Niña

Cold.

Sensitive and agonizing.

Yearning for the asylum of

Trapped, suffocating, below you

I exist

Your absence.

True, that when free,
I summon

The only mark I can make on

Your world, that will never be rid of the scar I leave.

A place that will not know "destruction" until you share — let me restore it.

Sonatas for Diana

by Marisa Oishi

New

We wake up and feel the absence of warmth.

Waxing Crescent

Slowly now, we embrace the blossoming light all around. Was sleep an absence from the world, or an immersion in it? Eyes open, the lights offer us their hands.

We take them, relishing the sounds on our skin as they whiz by and past and away.

First Quarter

These days, we are compelled to begin. We've arrived at some leg of the journey. How is irrelevant.

All that matters is the nowness of the unmanned commands we obey. They say joy comes with time, but we demand to meet it today.

Waxing Gibbous

It turns out we don't have much or any control over when we become.

We seem complete, yes, so maybe we are. We can't imagine what it is to be real.

Full

We see it now.

If up is defined by our solar sister, we lay on our backs, facing up. We feel her power until she paints the insides of our eyelids scarlet red. We feel until it's dangerous to open our eyes.

In the oceans, we don't see the tides we convey nor the stories we illuminate.

Waning Gibbous

Maybe the shadows are now our home, and the light only an excursion.

It's time to retreat, back to the shape that makes us recognizable, distinct from the rest, ordinarily us.

Third Quarter

Our greatest fear is to be forgotten. We wait for the reverberations of our actions to recede, then ask

what will seed and take root and sprout and launch and fly, not unlike a rocket, but as far from the sky as the ground?

We don't need to make sense. To a star, are we not the heavens?

Waning Crescent

We know now, it's a sin not to think of the body as a celestial being, hot to the touch.

Sure, we chase the impossible, but only to circumvent the possible.

Yes, I am a lunatic; yes, I will sing for you.

No one will unsee our imprint in the darkness

and of course the constellations in and of our minds can't escape them, not because we can't forget their harmonies, but because we can't remember their ending.

The stars had it right the first time.

THE UNSPOKEN

We live in a world fueled by communication and collaboration, yet there are so many thoughts we never share, conversations we struggle to start and ideas that are suppressed.

What are the words you leave unspoken? Is it always truly by choice? Are there barriers that lead to us staying silent? Historically, what has kept people mute? Discover the obstacles in your life that have led you to keep certain things behind sealed lips. Do culture and childhood contribute to taboos? How do the people who surround us mold us into believing we should leave certain things unsaid? Explore how your upbringing has influenced your opinions and how you navigate communication.

What are the random thoughts that inspire you, make you laugh, cry or even cringe? The passing thoughts that spill on to shower walls, down bus aisles or even on the underside of classroom desks. The ideas you can't clearly get out on paper, and are stuck in your head – growing like wildflowers. What are the song lyrics in your brain you haven't quite found the rhythms for, or the beats that don't have words to go with them?

Take a moment to reflect on the unspoken statements and ideas in your life and their effect on yourself and others. Explore the power of the invisible constructs that impact us all. Bring the stories you've kept secret to life, unleash your creativity across any medium and speak what you've left unspoken.

REMARKS FROM THE LIBRARY BOARD OF DIRECTORS:

Board Chair Griffith attended the County Budget Presentation to request the 2024 Fiscal year budget last week and is hopeful that the presentation resonated with the Board of County Commissioners.

DEVELOPMENT DEPARTMENT REPORT

Christopher Leitch, Community Relations Coordinator, presented on behalf of the Development Department combining the Friends of the Johnson County Library, the Johnson County Foundation, and the Johnson County Library Volunteers. The written reports are included in the June Library Board Report.

Mr. Leitch highlighted how the Library Volunteer Coordinator, Amber BourekSlater, represented twelve county department volunteer opportunities at a recent Johnson County Government's Citizens Academy. The Friends of the Library are continuing to look for a new space, in 2025 they hope to find a 12,000 square-foot mix-use space in Johnson County to call home. Lastly, Mr. Leitch shared that the Foundation has received a grant from Ann and Bob Regnier and the V & H Charitable Foundation, combined with the donation from the Royals Charities to purchase an interactive unit for the children's area at the new Merriam Plaza Library.

Library Lets Loose planning is heavily underway with the theme of **Libraries are Magic** and look forward to seeing you there September 23rd.

COUNTY COMMISSIONER REPORT:

Commissioner Hanzlick was unable to attend this meeting and sent her apologies.

BOARD COUNSEL REPORT

Andrew Logan, Board co-counsel, reviewed Collection Reconsideration and Board Authority, and Public and Non-public Forum.

Mr. Logan reviewed the procedure that provides that opportunity for request for reconsideration of materials. The Collection Development Policy identifies the criteria for selection of library material, outlines the 5-step process for reconsideration of materials and contains the form for request for reconsideration of materials.

The process for reconsideration starts with a patron submitting the form as found in the Collection Development Policy or on the Library's website. Mr. Logan reviewed what information is included on the form. Once submitted the Collection Development Manager reviews each request and material, then offers an opinion and analysis. The opinion and analysis that is given is in regard to whether the Collection Development Policy was followed with regard to selection of the material. If there is a dispute there are three steps for appeal and review; first it would go to a staff committee to review and confirm if that the Collection Development Manager responded appropriately, second it would be reviewed by the County Librarian, and finally third appeal would go to the Library Board. Once reviewed by the Library Board it would be considered a final determination. The Board has the authority for selection of materials as a matter of statute, so any decision would be final.

The Collection Development Policy sets forth criteria for selection and it is focused on social and literary merit, no opinion is taken with respect for subject or viewpoint of the material. Staff are very good at analyzing patron demand in a timely manner.

Ms. Templin asked how many requests for consideration we have had.

County Librarian Suellentrop shared that the Library has averaged about five (5) requests for consideration per year.

Ms. Templin asked if anything has been removed.

County Librarian Suellentrop confirmed that most often items are moved from one collection to another collection, there have been one or two items that have been removed.

Ms. Kilgore asked how many appeals have risen to the Library Board.

County Librarian Suellentrop shared most responses between the patron and Collection Development Manager is resolved at that level. There are no requests that she is aware of that have been appealed to that Library Board.

Mr. Logan reviewed Public and Non-public forums; this was specifically reviewed in respect to display of artwork to prepare for a partnership with InterUrban ArtHouse for curated spaces in branch facilities. The library has the right in terms of Library policy and more broadly First Amendment to designate certain properties off limits for public forum or for public speech. ARM 20-80-20 establishes what is called a non-public forum, certain places, such as display cases, bookshelves or exhibit cases, where public speech is not feasible and may not take place. The library can select artwork for placement throughout library branches and that does not create a public forum for others to come and post art, materials, or speech. Conversely, there is an opportunity for a public forum and there is a requirement of government, with libraries being subject to that as well. Inside the library the ARM

provides for bulletin boards or a space for posting of certain information for government or non-profit information, meeting rooms can be used for people to gather, discuss, or meet on those issues. Commercial speech is treated differently than educational or cultural speech; commercial speech is not permitted. Outside the building there are petitioning zones, under ARM 20-80-24, where people can picket or demonstrate peacefully. Staff regulate the location of that space so as to not impede other patrons' use of the library. The County Librarian is authorized in the ARM sections to enforce those rules and guidelines.

COUNTY LIBRARIAN REPORT

Finance Report

Dave Vratny, Finance Director, presented the financial report to the Board, this report is included in the June Board Report.

At the end of April, we were 33% through the 2023 year, with a little over \$25.2 million, a little over 53% of anticipated revenues. As for expenses, including our collection encumbrances and interfund transfer we have spent a little over \$18.5 million or approximately 39%, which tracks with where we should be at the end of April.

Statistics

Adam Wathen, Associate Director of Branch Services, presented the Monthly Report of Statistics, this report is included in the June Board Report.

Mr. Wathen reviewed the monthly statistical report based on the past five years as of April. Circulation is on par with the past few months with physical circulation dipping slightly and digital continuing to trend high toward 2020 numbers. The visitation trend is approaching pre-COVID numbers.

Collection

Lacie Griffin, Collection Development Manager, presented the Collection report to the Board; this report is included in the June Board Report.

Ms. Griffin reviewed the Collection Department and introduced the team. This year the team has been working on many projects and has some fun things coming. Reviewed 10-year collection expenditures. Number of items in the collection has remained steady, the electronic offering has increased while the physical offerings have been dropping. Ms. Griffin reviewed the digital usage since 2017.

Ms. Kilgore asked if there is a target percent of budget to be spent on the collection.

Ms. Griffin shared that the collection budget has been about 10% of the operating budget.

Ms. Kilgore asked if there is a split between physical and digital.

Ms. Griffin explained that there is a split at the title level and the library sees how many formats can be filled underneath. Everything will be physical first because there is no barrier to access with that format, then e-book would be a second format. CD audio is become less accessible than e-audio due to the use of phones for listening for e-audio books.

Ms. Kilgore asked how our budget for the collection compares based on other similar sized library systems.

Ms. Griffin confirmed that Johnson County Library has a nice budget for the collection.

County Librarian Suellentrop expressed that this department is very responsive. As you can see in the statistics developed during COVID, they work to adapt and respond to what patrons need and the access that the Library is able to give. They are also incredibly involved professionally in libraries locally, in the metropolitan area, and nationally, representing the library and keeping access at the forefront of their work.

COMPREHENSIVE LIBRARY MASTER PLAN

Megan Clark, Project Coordinator, presented on the Comprehensive Library Master Plan, these reports are included in the June Board Report.

Merriam Plaza Project

Ms. Clark reported the status of the Merriam Plaza Library Project, installation of exterior framing, installing roof draining, sprinkler system and utility work. Next steps include completing interior and exterior sheathing, beginning interior framing, installing underground electrical conduit, and continuing roof and utility work. The library is coordinating with the City of Merriam to complete underground stormwater on the westside as Slater Street will be down to one lane for this work to occur.

Excited to work with Turner to host a drywall sheet for public to sign and then be installed in the building. These sheets will be hosted at Antioch Library and Merriam Community Center for signatures.

Ms. Clark reviewed the timeline for this project, which has no changes from last meeting. She also shared construction photos showing the current state of the building, highlighting the light monitors and exterior sheathing being installed.

Overall Timeline

The Capital Improvement Plan (CIP) timeline and Capital Replacement Plan (CRP) 2023 timeline are included in the June Board Report.

Ms. Clark reviewed the Capital Improvement Projects timeline, which has no changes from last meeting. The Lackman building closed to bids on May 26th, with no formal bids. After confirming with County Purchasing, legal counsel, and Administrative team we are anticipating issuing an RFP for brokerage services that will allow us to select a broker and list the property. This is the same method that we used for the old Blue Valley location in 2000. Staff are currently working on drafting the RFP and we expect that it would need to be open for a few weeks to allow time for brokers to submit proposals. Proposals will be reviewed by a selection committee overseen by County Purchasing department. The selected broker will then list the property and bring back the best offer to the Library Board for consideration. When the Blue Valley property was sold in 2000 this process took roughly nine (9) months, so we anticipate that this timeline could be similar. Staff are incorporating lessons learned for the Antioch building sale process. We are also open to having up to two library board members as observers in the RFP interview and selection process.

County Librarian Suellentrop expressed that we have used a similar RFP process for architects when designing buildings. She opened an invitation to board members if they are interested in taking part as observers that staff can coordinate this process to align with their schedules.

Mr. Scott Sime, Project Manager, addressed the CRP anticipated timeline of projects; the Capital Replacement Plan (CRP) 2023 timeline is included in the June Board Report. Still anticipating kicking off Oak Park work after the August primary. We anticipate bringing a contract for the Central West

Wall work back to the board in July or August for consideration. Mr. Sime highlighted that there have been some close calls recently with two buildings and their air conditioners, specifically with the Oak Park and Monticello chillers. Facilities partners and HVAC techs were able to get both fixed and up and running quickly. Oak Park work in August will be replacing this system during the CRP work. It could be that we need a temporary chiller to maintain operation at Monticello.

Ms. Griffith asked about a warranty on the Monticello air conditioner.

Mr. Sime confirmed that there was a 1-year warranty on the chiller at Monticello. We are putting into place a best practice to have a longer warranty and facilities is investigating why this happened.

Ms. Kilgore asked if the Lackman building is not sold would we consider having it as a polling place. County Librarian Suellentrop shared that would be a coordination with Elections and unsure if there would be any reason why we could not do that.

UPDATES – Tricia Suellentrop, County Librarian

Ms. Tricia Suellentrop, County Librarian, reported to the Board.

She welcomed the new employee class tonight and expressed excitement over having new staff and welcoming legacy employees.

Updates

Budget Presentation Report, Dave Vratny, Finance Director

Mr. Vratny reviewed the presentation and questions that were received from the Board of County Commissioners (BOCC). There were questions about the Salary and Benefit Study, some regarding a planned partnership with Prairie Village, as well as our Blue Valley replacement project specifically why it was moved out further on our timeline. Several Commissioners spoke highly of the return on investment that their residents and they themselves receive from library services.

Mr. Vratny reviewed the timeline for budget review; BOCC should be wrapping up budget presentations Thursday June 15th and action should be taken on setting a proposed expenditure maximum for the 2024 Budget June 22nd. There are two planned Budget Open Houses: 5:30 to 7pm Thursday, June 22nd at the County Administration Building and Tuesday, June 27th at the Johnson County's Northeast Offices, 6000 Lamar Ave in Mission. The Public Hearing is scheduled for August 21st and planned adoption of the 2024 Budget is set for Thursday, August 31st.

Salary and Benefit Study, Tricia Suellentrop, County Librarian

County Librarian Suellentrop shared that in February County Manager, Penny Postoak-Ferguson, shared with staff that the BOCC heard the results of a Salary and Benefits Market Study and an associated recommendation to fund that study and make a new pay structure. At this time, the action is a recommendation to the BOCC and still requires approval from the board, it is anticipated that action would be considered by the end of June. We have shared previously that the projected impact on the Library 2024 Fiscal Year Budget would be approximately \$1.9 million if this recommendation is approved.

The Library is starting to see hiring struggles especially when attempting to hire new staff, with alternate offers being accepted rather than the Library's. There are several departments that are at higher vacancy and turnover rate. Ultimately this would not take effect until mid-July, if approved at the end of June.

Chair Griffith asked if the Salary and Benefit Study is separate from the 2024 budget.

Mr. Vratny shared that we did plan the 2024 proposed budget with the assumption that this action will be approved in June.

Chair Griffith asked what would happen this year if this is approved in July.

Mr. Vratny shared that if this were to pass then the impact for the library would be for a partial year, and we feel we would be able to accommodate this out of the existing expenditure budget and we will be monitoring to determine if we feel we need a temporary use of reserve to get us to the end of the year.

Mr. Sims shared that we are about \$300-\$400k under on compensation.

Mr. Vratny confirmed that Mr. Sims is correct in his figures and there may be a little bit of a gap at the end that we would need to make-up.

Juneteenth Celebration

This morning Angel Tucker and County Librarian Suellentrop attended the BOCC meeting to accept the proclamation commemorating the observance Juneteenth. Johnson County Government will hold its second annual Juneteenth celebration on June 19, from 11:30 a.m. to 1:30 p.m., at the Lenexa Civic Campus Commons.

The library will be closed in observance for the holiday and library staff will be onsite at a booth to assist the community in creating library cards and sharing all the exciting things they can find at the library this summer. Library is partnering with Parks and has two Walk and Reads at Stoll Park and Strang Park June 10th thru 19th.

Libraries as Cooling and Warming Centers

County Librarian Suellentrop shared that as temperatures start to rise Johnson County Libraries are cooling centers in the summer and warming centers in the winter. We open our libraries and welcome folks who need that type of relief, as long as we are open. The goal is to be a cooling and warming center when we are open, we do not function in an emergency capacity.

Strategic Plan Update, Kinsley Riggs, Deputy County Librarian

Kinsley Riggs, Deputy County Librarian, reported the triannual strategic update, this report is included in the July Board Report.

Ms. Riggs reviewed key performance indicators (KPI) and how the staff continued to strive for the strategic vision of library in all that we do. She updated in each of the KPI areas; education, community, convenience, communication, and operations.

Work completed for the education KPI included planning Summer Reading along with outreach and book distribution, Genealogy Day, and memory lab, elementia volume 20, staff Diversity Equity Inclusion and Belonging (DEIB) training, Leadership Empowers All People (LEAP) staff training, and Cyber/Physical Security Training for staff.

Work completed for the community KPI included many events put on by our Development Department including the 1952 Society & Readers Circle event, Library Lets Loose 2023 planning continues, and celebrating our volunteers at volunteer appreciation event with three (3) National Points of Light Presidential Lifetime Achievement awardees.

Work completed for the convenience KPI included being able to implement Fine Free, assisted Olathe Public Library in opening downtown branch, moving the youth collection at Corinth.

Work completed for the communication KPA includes a new Spanish website, celebration, and promotion of Fine Free, Summer guide mailed to 190 households, Library logo update, Merriam Plaza 'How to build a Library' videos and the Internal Communication team is developing a new employee handbook.

Work completed for the operations includes new furnishings, IT Cyber Security is ongoing, Administration continues to work towards a reorganization plan to meet the changing needs of library patrons and support the pursuit of strategic goals. Last trimester we hired and promoted 14 new staff.

Mr. Mendoza asked if the DEIB training was virtual or in-person.

Ms. Riggs shared that the training started with 3 virtual sessions and the last session was an in-person action planning session.

County Librarian Suellentrop shared that staff is starting to look at dates for the October Board Retreat and a Doodle poll will come out to Board Members soon for input. Typically, no action is taken at these meetings, there is the ability for discussion and alignment around action that you want to take. Previously this has been alignment around prioritizing capital projects and policy review. Typically, this meeting is 3 to 4 hours long and lunch or dinner provided.

III. New Business

- A. Information Item: Consideration of approval of the MOU with InterUrban ArtHouse Curation

Bryan Voell, Reference Librarian reviewed the briefing sheet and report that is included in June Board Report.

Mr. Mendoza asked about the hours of work that has been spent on art curation and who has done this work in the past.

Mr. Voell clarified a lot of this work was his own, curating ten (10) gallery spaces.

Mr. Mendoza asked if under this agreement Mr. Voell would be in communication and having final say with the curator.

Mr. Voell clarified that the library would be operating under a 'No Surprises' theory, working closely with InterUrban ArtHouse to know the art and artist before the art is installed.

Mr. Mendoza asked for an estimate of staff hours moving forward with this process.

Mr. Keheen clarified that there are over 15 staff, from finance department, managers, clerks, and more, that were involved previously. By partnering with InterUrban ArtHouse this would simplify this to one touch.

Board Chair Griffith shared that if Board Members have questions while they review this information before this item comes back for action to reach out to Patti Kangethe so that staff can address those.

- B. Information Item: Consideration of a resolution requesting the issuance of bonds and authorizing execution of the leases and related documents for the Merriam Plaza Library construction project.

Dave Vratny, Finance Director reviewed the briefing sheet and report that is included in June Board Report.

Mr. Sims asked for the total project cost.

Mr. Vratny clarified the total project cost is just over \$13 million, of which we have about \$6.5 million going out on the bond sale.

Board Chair Griffith reminded the board that a doodle poll will come from Patti [Kangethe] for the Fall Retreat. Also, that Patti is the best contact point if board members have questions. There may be research that board members would like to bring up and share, that is what your remarks are for to fully partake in.

Ms. Templin asked if there was a reason to not have discussion at the time of the informational item for the MOU with InterUrban ArtHouse.

Board Chair Griffith clarified that she would like to ensure that if board members have questions those are conveyed to staff prior to the next meeting so that they can be answered fully before the next meeting and avoid delay. This makes for an efficient use of time for board and staff members.

County Librarian Suellentrop wished Board Chair Griffith and Ms. Templin a safe and fruitful trip to the ALA Conference, along with many staff members.

Re: Art Gallery Space Curation MOU

Issue: Curated art spaces in the Library

Suggested Motion: I move that the Johnson County Board of Directors approves the memorandum of understanding between the Library and InterUrban ArtHouse for the curation of library art spaces.

Background: The Library has hosted gallery spaces since 1972. The spaces have been curated in several different ways over the years. Most recently library staff has taken on this role in partnership with local art organizations such as InterUrban ArtHouse, Kansas City Artists Coalition, and The Arts Asylum. Staff has been responsible for choosing artists and pieces for each space, coordinating payment of stipends to artists, gathering artist biographical information, and overseeing installation of the art. The library staff committee doing this work put forward a proposal to change how our spaces would be curated. Their proposal is to outsource the curation of nine of our gallery spaces, leaving Central to be used in coordination with our own programming and branding efforts. Outsourcing this work frees up staff to serve our patrons in other ways, that better match their skill sets.

InterUrban ArtHouse, the chosen organization after an informal RFP process, is in Johnson County. They were established in 2011. One of their core objectives is support growth and sustainability of the arts through education and development of artists. They also strive to integrate arts activities into the community. These objectives line up with our strategic plan priorities.

The Library handles any complaints about art displays like any other intellectual freedom issue. We defend the artist's right to create and the patron's right to choose what they view. Exhibitions will continue to fall squarely under the umbrella of our Programming Policy. Due to our promotional deadlines and the programming schedule we adhere to, we will continue to know what art is to be displayed and who the artists are months before the work is to be installed. As we have already worked with InterUrban ArtHouse to help us curate Leawood Pioneer art space, the organization is already aware of the public-facing nature of our galleries. Should we have any concerns about upcoming displays, the Library would talk to InterUrban ArtHouse to get talking points from the artist, go to the Administration team to discuss the Library's risk tolerance in displaying the work, or ask InterUrban ArtHouse to choose some other works for the exhibition.

Analysis: Library staff spends approximately 480 hours per year assisting with this work. Staff does not have the expertise to select or curate art exhibitions. While the Library has partnered with other organizations to help with this, staff still spent time coordinating logistics. Library Administration and Operations groups agreed it would be cost effective to outsource this work to another organization. Staff sent out an informal RFP to three local arts organizations. Two responded. The organization selected, InterUrban ArtHouse, was significantly lower in cost than the other organization. Additionally, with this partnership, exhibitions at the Library will be promoted through InterUrban ArtHouse's communication channels, broadening the reach of the Library. InterUrban ArtHouse has a focused and active audience with promotional email open rates consistently over 40%, a trend in growth of their website visits by 20% this year, and a social media reach of 60K and 9K subscribers.

Funding Overview: The cost of this service from InterUrban ArtHouse is \$28,350. If we continue to do this work ourselves it requires approximately 6 staff spending an estimated 480 hours per year, at an averaged cost of \$11,070. Artist stipends cost us about \$11,250. The submission platform cost was \$6,276 per year. This does not include staff time needed to process payments for each individual artist, approximately 15 artists, three times per year. All these items come to a total cost of approximately \$28,596 annually. The difference is

almost negligible. And moving to this partnership will allow staff to serve our patrons in other ways, that better match their skill sets and expertise.

Alternatives: Not approve the MOU and continue curating the exhibitions ourselves. We could also stop offering gallery space for art displays.

Recommendation: Approve the agreement

Budget Review: The County Librarian and the Finance Director have reviewed and approve this expenditure

Re: Public Building Commission (PBC) Resolutions and Lease Agreements for Merriam Plaza Library project

Issue: Approval of the Public Building Commission (PBC) Resolutions and PBC Lease Agreements associated with the Merriam Plaza Library project.

Suggested Motion: I move to approve the Public Building Commission (PBC) Resolutions and Lease Agreements associated with the Merriam Plaza Library project.

Background: The Johnson County Library plans to issue debt for the Merriam Plaza Library project in the amount of up to \$7,000,000. The Library plans to use the PBC to issue the debt for this project at the upcoming debt sale planned for August 9, 2023. In the July Library Board packet there are four documents that are needing to be approved and signed associated with the Merriam Plaza Library project.

Analysis: The first document is a Johnson County Library Board of Directors Resolution authorizing the Public Building Commission to issue debt for the Merriam Plaza Library project. The second document is Base Lease – PBC 2023B which outlines the terms between the Johnson County Library Board of Directors and the Public Building Commission of Johnson County, Kansas. The third document is Sublease - PBC 2023B between Johnson County Kansas and the Johnson County Library Board of Directors outlining terms associated with the sublease associated with the issuance of debt repayment. The fourth document is a Memorandum of Sublease – PBC 2023B that further established the terms between Johnson County, Kansas and the Johnson County Library Board of Directors with regards to the sublease agreement. The fifth document is Tax Compliance Agreement – PBC 2023B which set out the terms governing compliance with federal income tax requirements that apply once the bonds are issued. All five of these documents are tied to the Merriam Plaza Library project debt that is planned for an August 9, 2023, debt issuance which should result in debt proceeds to be received in early September of 2023.

Funding Overview: The PBC debt being issued for Merriam Plaza Library is in line with what was planned to be issued for this project. The issuance of this debt should complete the necessary funding for the Merriam Plaza Library project.

Alternatives: The Library Board could recommend the Library take another path towards financing the remaining portion of this project.

Recommendation: The approval of the Public Building Commission (PBC) Resolutions and Lease Agreements associated with the Merriam Plaza Library project.

Budget Review: The annual lease payments back to PBC related to the debt for the Merriam Plaza Library project are budgeted for repayment starting in 2024 and are in the 2024 Library budget proposal.

Legal Review: Legal Counsel has reviewed and approve as to form the following documents:

SECTION 12. Successors. This Base Lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

SECTION 13. Third Party Beneficiary. The County is an intended third-party beneficiary of this Base Lease and shall have enforceable rights and remedies with respect thereto.

(b) Workers' compensation insurance in accordance with statutory law.

(c) Property insurance insuring the Facility for perils covered by a special causes of loss form in an amount equal to the Full Insurable Value of the Facility. Such insurance coverage shall name the Library Board, the County, the PBC and the Trustee as loss payees, as their interests appear, and all Net Proceeds received under such policy or policies by the Library Board, the County or the PBC shall be paid over to the Trustee and be applied as set forth in *Article XVII* hereof.

(d) With regard to new buildings and improvements constituting a part of the Facility, performance and labor and material payment bonds and statutory bonds (with sureties approved by the PBC) with respect to the applicable Construction Contracts in the full amount of such Construction Contracts. Said bonds shall name the PBC, the Trustee, the County and the Library Board as obligees. All payments received by the PBC, the Trustee, the County and the Library Board under said bonds shall become a part of and be deposited in the Construction Fund. With regard to materials and/or labor furnished to the Facility at the order of the Library Board without formal contract, or by subcontract with the Library Board acting as general contractor, with respect to materials or labor which could form the basis of a statutory mechanic's lien, if the amount of the transaction does not exceed \$10,000, the Trustee may disburse payments therefor upon receipt of releases or waivers of statutory mechanic's or subcontractor's liens by all vendors or subcontractors receiving payment or furnishing labor or materials as a subcontractor of the vendor or subcontractor receiving payment.

Section 6.2 General Insurance Provisions.

(a) Prior to the expiration dates of the expiring policies or within 30 days of renewal, originals or certificates or acceptable binders of the policies provided for in this Article, each bearing notations evidencing payment of the premiums or other evidence of such payment satisfactory to the PBC, shall be delivered by the Library Board to the County and the PBC. All policies of such insurance and all renewals thereof shall name the Library Board as insured and the PBC, the Trustee, and the County as additional insureds, must contain a provision that such insurance may not be cancelled or amended by the issuer thereof without at least thirty (30) days' written notice to the PBC, the Trustee and the County, and shall be payable to the PBC, the Trustee, the County and the Library Board as their respective interests appear. The PBC and the County each hereby agree to do anything necessary, be it the endorsement of checks or otherwise, to cause any such payment, as long as such payment is required by this Sublease.

(b) Each policy of insurance hereinabove referred to shall be issued by a nationally recognized responsible insurance company qualified under the laws of the State to assume the risks covered therein except that the Library Board may be self-insured as to any required insurance coverages under a program of self-insurance approved by the State Commissioner of Insurance or other applicable State regulatory authority to the extent required by law, and with the consent of the County and the PBC, which consent will not be unreasonably withheld.

(c) Certificates of insurance evidencing the insurance coverages herein required shall be filed with the County and the PBC continuously during the term of this Sublease.

(d) Each policy of insurance hereinabove referred to may be subject to a reasonable deductible in an amount approved by the County and the PBC.

(e) Each policy of insurance required herein may be provided through blanket policies maintained by the Library Board.

(f) Anything in this Sublease to the contrary notwithstanding, subject to the limitations of the Kansas Tort Claims Act, the Library Board shall be liable to the County and the PBC pursuant to the provisions of this Sublease or otherwise, as to any loss or damage which may have been occasioned by the negligence of the Library Board, its agents, licensees, contractors, invitees or employees.

Section 6.3 Title Insurance. The County has agreed to purchase, from the Construction Fund or from the County's or Library Board's own funds, a policy of owner's title insurance, insuring the PBC's leasehold interest in the Facility created by the Base Lease, subject to the Lease, this Sublease and Permitted Encumbrances, in an amount not less than \$[PRINCIPAL AMOUNT]. The County and the Library Board

agree that any and all proceeds from such insurance during the Term (a) if received before the completion of the Improvements shall be paid into and become a part of the Construction Fund, (b) if received thereafter but before the Bonds and interest thereon have been paid in full, shall be paid into and become a part of the Principal and Interest Payment Fund and (c) if received after the Bonds, redemption premium, if any, and interest thereon have been paid in full, shall belong and be paid to the Library Board.

ARTICLE VII

Section 7.1 Impositions. The Library Board shall, during the Term of this Sublease, bear, pay and discharge, before the delinquency thereof, any and all Impositions. In the event any Impositions may be lawfully paid in installments, the Library Board shall be required to pay only such installments thereof as become due and payable during the Term of this Sublease as and when the same become due and payable.

Section 7.2 Receipted Statements. Unless the Library Board exercises its right to contest any Impositions in accordance with **Section 7.4** hereof, the Library Board shall, within 30 days after the last day for payment, without penalty or interest, of an Imposition which the County is required to bear, pay and discharge the same pursuant to the terms hereof, and deliver to the Trustee a copy of the statement issued therefor duly receipted to show the payment thereof.

Section 7.3 County May Not Sell. The County covenants that, unless the Library Board is in Default under this Sublease it will not, without Library Board's written consent, unless required by law, sell or otherwise part with or encumber its leasehold interest in the Facility at any time during the Term of this Sublease.

Section 7.4 Contest of Impositions. The Library Board shall have the right, in its own or the County's name or both, to contest the validity or amount of any Imposition by appropriate legal proceedings instituted at least 10 days before the Imposition complained of becomes delinquent if, and provided, the Library Board: (a) before instituting any such contest, shall give the County written notice of its intention to do so and, if requested in writing by the County, shall deposit with the County or the PBC a surety bond of a surety company acceptable to the County as surety, in favor of the County or the PBC, as directed by the County, or cash, in a sum of at least the amount of the Imposition so contested, assuring the payment of such contested Impositions together with all interest and penalties to accrue thereon and court costs; (b) diligently prosecutes any such contest and at all times effectively stays or prevents any official or judicial sale therefor, under execution or otherwise; and (c) promptly pays any final judgment enforcing the Imposition so contested and thereafter promptly procures record release or satisfaction thereof. The Library Board shall hold the County and the PBC whole and harmless from any costs and expenses the County and the PBC may incur related to any such contest.

ARTICLE VIII

Section 8.1 Use of Facility. Subject to the provisions of this Sublease, the Library Board shall have the right to use the Facility for any and all purposes allowed by law and contemplated by the constitution of the State and the Act, as long as they are consistent with the Code limitations on use of property purchased with original proceeds of the Tax-Exempt Bonds. The Library Board shall comply with all statutes, laws, ordinances, resolutions, orders, judgments, decrees, regulations, directions and requirements of all federal, state, local and other governments or governmental authorities, now or hereafter applicable to the Facility or to any adjoining public ways, as to the manner of use or the condition of the Facility or of adjoining public ways. The Library Board shall comply with the mandatory requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of this

Sublease. The Library Board shall pay all costs, expenses, claims, fines, penalties and damages that may in any manner arise out of, or be imposed as a result of, the failure of the Library Board to comply with the provisions of this Article.

ARTICLE IX

Section 9.1 Sublease by the Library Board. The Library Board may not sublease the Facility to a single party or entity, without the prior written consent of the County and the PBC. The Library Board may sublease portions of the Facility for use by others in the normal course of its business without the County's or the PBC's prior consent or approval provided such sublease does not adversely affect the tax-exempt status of interest on the Tax-Exempt Bonds. Any such subtenant must be an entity permitted to be a tenant under the provisions of the Act. In the event of any such subleasing, the Library Board shall remain fully liable for the performance of its duties and obligations hereunder, and no such subleasing and no dealings or transactions between the County or the PBC and any such subtenant shall relieve the Library Board of any of its duties and obligations hereunder. Any such sublease shall be subject and subordinate in all respects to the provisions of this Sublease.

Section 9.2 Assignment by the Library Board. The Library Board may not assign its interest in this Sublease without the prior written consent of the County and the PBC. Any such assignment must in furtherance of the purposes set forth in the Act and must be to an entity authorized to be a tenant in accordance with the Act, and such assignment shall not adversely affect the tax-exempt status of interest on the Tax-Exempt Bonds. In the event of any such assignment, the Library Board shall remain fully liable for the performance of its duties and obligations hereunder, except to the extent hereinafter provided, and no such assignment and no dealings or transactions between the County or the PBC and any such assignee shall relieve the Library Board of any of its duties and obligations hereunder, except as may be otherwise provided in the following section.

Section 9.3 Release of the Library Board. If, in connection with an assignment by the Library Board of its interest in this Sublease: (a) the County, the PBC and the Owners of ninety percent (90%) in aggregate principal amount of the Outstanding Bonds (including any Additional Bonds) shall file with the County and the PBC their prior written consent to such assignment; and (b) the proposed assignee shall expressly assume and agree to perform all of the obligations of the Library Board under this Sublease; then the Library Board shall be fully released from all obligations accruing hereunder after the date of such assignment.

Section 9.4 Covenant Against Other Assignments. The Library Board will not assign or in any manner transfer its interests under this Sublease, nor will it suffer or permit any assignment thereof by operation of law, except in accordance with the limitations, conditions and requirements herein set forth.

ARTICLE X

Section 10.1 Repairs and Maintenance. The Library Board covenants and agrees that it will, during the Term of this Sublease, keep and maintain the Facility and all parts thereof in good condition and repair, including but not limited to the furnishing of all parts, mechanisms and devices required to keep the furnishings, equipment and personal property constituting a part of the Facility in good mechanical and working order, and that during said period of time it will keep the Facility and all parts thereof free from nuisance or conditions unreasonably increasing the danger of fire.

Section 10.2 Removal, Disposition and Substitution of Equipment, Fixtures or Furnishings.

The Library Board shall have the right, provided the Library Board is not in default in the payment of Basic Rent and Additional Rent, to remove and sell (at not less than fair market value) or otherwise dispose of any equipment, fixtures or furnishings that constitute a part of the Facility and are no longer used by the Library Board or, in the opinion of the Library Board, are no longer useful to the Library Board in its operations of the Facility (whether by reason of obsolescence, depreciation or otherwise), subject, however, to the condition that the Library Board shall either (a) promptly replace any such equipment, fixtures or furnishings so removed with fixtures or furnishings of the same or a different kind but which performs the same function as the equipment, fixtures or furnishings so removed, and the equipment, fixtures or furnishings so acquired by the Library Board to replace such equipment, fixtures or furnishings thereafter shall be deemed a part of the Facility, or (b) deposit the proceeds from such sale in the Principal and Interest Fund; and provided further that such equipment, furnishings and fixtures shall only be disposed of without a sale if, in the reasonable opinion of the Library Board, such item or items has a resell value of less than \$5,000. The Library Board shall maintain accurate records of such replacements and upon request shall prepare a certificate of the Authorized Library Board Representative setting forth a complete description of the equipment, fixtures or furnishings which the Library Board has acquired to replace the equipment, fixtures or furnishings so removed by the Library Board, stating the cost thereof and the respective acquisition dates.

All equipment, fixtures or furnishings constituting a part of the Facility and removed by the Library Board pursuant to this section shall become the absolute property of the Library Board, shall no longer be subject to the Base Lease, the Lease or this Sublease, and may be sold or otherwise disposed of by the Library Board subject to the requirements of this section. In all cases, the Library Board shall pay all the costs and expenses of any such removal and shall immediately repair at its expense all damage caused thereby. The Library Board's rights under this section to remove equipment, fixtures or furnishings constituting a part of the Facility is intended only to permit the Library Board to maintain an efficient operation by the removal of such furnishings or equipment no longer suitable to the Library Board's use for any of the reasons set forth in this section, and such right is not to be construed to permit a removal under any other circumstances and shall not be construed to permit the wholesale removal of such equipment, fixtures or furnishings by the Library Board.

ARTICLE XI

Section 11.1 Alteration of Facility. The Library Board shall have and is hereby given the right, at its sole cost and expense, to make such changes and alterations in and to any part of the Facility as the Library Board from time to time may deem necessary or advisable without the consent of the County or the PBC; provided, however, the Library Board shall not make any major change or alteration which will adversely affect the intended use or structural strength of any part of the Facility. All changes and alterations made by the Library Board pursuant to the authority of this Article shall (a) be made in a workmanlike manner and in strict compliance with all laws, regulations and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with due diligence, and (c) when completed, shall be deemed a part of the Facility and subject to the Base Lease and the Lease; provided, however, that additions of fixtures, furnishings or personal property of the Library Board, not purchased or acquired from proceeds of the Bonds and not constituting a part of the Facility shall remain the separate property of the Library Board and may be removed by the Library Board at any time.

ARTICLE XII

Section 12.1 Additional Improvements. The Library Board shall have and is hereby given the right, at its sole cost and expense, to construct on the Land or within areas occupied by the Facility, or in airspace above the Facility, such additional buildings and improvements as the Library Board from time to time may deem necessary or advisable. All additional buildings and improvements constructed by the Library Board pursuant to the authority of this Article shall, during the Term, remain the property of the Library Board and may be added to, altered or razed and removed by the Library Board at any time during the Term hereof. The Library Board covenants and agrees (a) to make all repairs and restorations, if any, required to be made to the Facility because of the construction of, addition to, alteration or removal of, said additional buildings or improvements, (b) to keep and maintain said additional buildings and improvements in good condition and repair, ordinary wear and tear excepted, and (c) to promptly and with due diligence either raze and remove from the Land, in a good, workmanlike manner, or repair, replace or restore such of said additional buildings or improvements as may from time to time be damaged by fire or other casualty.

ARTICLE XIII

Section 13.1 Securing of Permits and Authorizations. The Library Board shall not do or permit others under its control to do any work in or in connection with the Facility or related to any repair, rebuilding, restoration, replacement, alteration of or addition to the Facility, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have first been procured and paid for. All such work shall be done in a good and workmanlike manner and in compliance with all applicable building, zoning and other laws, resolutions, governmental regulations and requirements and in accordance with the requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of this Sublease.

Section 13.2 Mechanics' Liens. The Library Board shall not do or suffer anything to be done whereby the Facility, or any part thereof, may be encumbered by any mechanic's or other similar lien and if any mechanic's or other similar lien is filed against the Facility, or any part thereof, the Library Board shall discharge the same of record within 30 days after the date of filing. Notice is hereby given that the County does not authorize or consent to and shall not be liable for any labor or materials furnished to the Library Board or anyone claiming by, through or under the Library Board upon credit, and that no mechanic's or similar liens for any such labor, services or materials shall attach to or affect the estate of the County in and to the Facility, or any part thereof.

Section 13.3 Contest of Liens. The Library Board, notwithstanding the above, shall have the right to contest any such mechanic's or other similar lien if within said 30 day period stated in **Section 13.2** it: (a) notifies the County, the PBC and the Trustee in writing of its intention so to do; (b) diligently prosecutes such contest, at all times effectively staying or preventing any official or judicial sale of the Facility or any part thereof or interest therein, under execution or otherwise; and (c) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and thereafter promptly procures a recorded release or satisfaction thereof.

Section 13.4 Utilities. All utilities and utility services used by the Library Board in, on or about the Facility shall be contracted for by the Library Board in the Library Board's own name and the Library Board shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary in connection therewith.

ARTICLE XIV

Section 14.1 Indemnity. Subject to the provisions of the Kansas Tort Claims Act and other applicable law, the Library Board covenants and agrees, at its expense, to pay, and to indemnify and save the County and all agents, members, directors, officers and employees thereof harmless against and from any and all claims by or on behalf of any person, firm, corporation, or governmental authority, arising from the acquisition, construction, equipping, occupation, use, operation, maintenance, possession, conduct or management of, or from any work done in or about the Facility, or from the subletting of any part thereof, including any liability for violation of conditions, agreements, restrictions, laws, or regulations affecting the Facility or the occupancy or use thereof. Subject to the provisions of the Kansas Tort Claims Act and other applicable law, the Library Board also covenants and agrees, at its expense, to pay and to indemnify and save the County and all agents, members, directors, officers and employees thereof harmless against and from, any and all claims arising from (i) any condition of the Facility and the adjoining sidewalks and passageways, (ii) any breach or default on the part of the Library Board in the performance of any covenant or agreement to be performed by the Library Board pursuant to this Sublease, (iii) any act or negligence of the Library Board or, any of its agents, contractors, servants, employees or licensees in connection with their use, occupancy or operation of the Facility, or (iv) any accident, injury or damage whatsoever caused to any person, firm or corporation, in or about the Facility or upon or under the sidewalks and from and against all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any claim referred to in this section. In the event that any action or proceeding is brought against the County or any agent, member, director, officer or employee thereof by reason of any such claim, the Library Board, upon notice from the County, covenants to resist or defend such action or proceeding by counsel reasonably satisfactory to the County.

Notwithstanding the fact that it is the intention of the parties that the County and all agents, members, directors, officers and employees thereof shall not incur any pecuniary liability whatsoever by reason of the terms of this Sublease, or the undertakings required of the County hereunder or any agent, member, director, officer or employee thereof, by reason of the issuance of Bonds, by reason of the execution or authorization of any documents or certification in connection with the Bonds including, but not limited to, the Indenture, the Lease, this Sublease, or any preliminary or final official statement, by reason of the performance, or nonperformance, of any act required of it by this Sublease, the Lease or the Indenture, or by reason of the performance, or nonperformance, of any act requested of it by the Library Board, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing; nevertheless, if the County or any agent, member, employee, officer or director thereof should incur any such pecuniary liability then in such event the Library Board, subject to the provisions of the Kansas Tort Claims Act and other applicable law, shall indemnify and hold harmless the County and all agents, members, directors, officers and employees thereof, against all claims, fees, including attorney fees, and expenses by or on behalf of any person, firm, corporation, or governmental authority, arising out of the same, and all costs, fees and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice from the County, the Library Board shall defend and hold harmless the County in any such action or proceeding. This section shall survive the termination of this Sublease for any claim, proceeding or action arising from any event or omission occurring during the Term and after the termination, due to an Event of Default, for any period the Library Board or assignee occupies the Facility.

Section 14.2 Liability. Subject to *Article IV* hereof, the provisions of the Kansas Tort Claims Act and other applicable law, the Library Board hereby accepts all responsibility relating to the operation, maintenance and repair of the Facility during the Lease Term and agrees that the County shall not have any liability therefor.

ARTICLE XV

Section 15.1 Access to Facility. The County, for itself and its duly authorized representatives and agents, including the PBC and any duly authorized representative and agents thereof, reserves the right to enter the Facility at all reasonable times during usual business hours throughout the Term for the purpose of: (a) examining and inspecting the same, (b) performing any work made necessary by reason of an Event of Default by the Library Board under any of the provisions of this Sublease, and (c) while an Event of Default is continuing hereunder, for the purpose of exhibiting the Facility to prospective purchasers or lessees. The County and the PBC may, during the progress of said work mentioned in (b) above, keep and store on the Facility all necessary materials, supplies and equipment and shall not be liable for inconvenience, annoyances, disturbances, loss of business or other damage suffered by reason of the performance of any such work or the storage of such materials, supplies and equipment.

Section 15.2 Quiet Enjoyment and Possession. So long as no Event of Default has occurred and is continuing under this Sublease, the Library Board shall and may peaceably and quietly have, hold and enjoy the Facility.

ARTICLE XVI

Section 16.1 County's Option to Purchase. In the event that the County purchases the PBC's interest in the Facility in accordance with the Lease, the Base Lease shall be considered assigned to the Library Board and terminated through merger of the leasehold interest with the fee interest.

ARTICLE XVII

Section 17.1 Damage and Destruction.

(a) If, during the Term, the Facility is damaged or destroyed, in whole or in part, by fire or other casualty, the Library Board shall promptly notify the County, the PBC and the Trustee in writing as to the nature and extent of such damage or loss and whether it is practicable and desirable to rebuild, repair, restore or replace such damage or loss.

(b) If the Library Board determines that rebuilding, repairing, restoring or replacing the Facility is practicable and desirable, the Library Board shall forthwith proceed with and complete with reasonable dispatch such rebuilding, repairing, restoring or replacing. In such case, any Net Proceeds of property and/or casualty insurance required by this Sublease and received with respect to any such damage or loss to the Facility shall be deposited in the Construction Fund and shall be used and applied for the purpose of paying the cost of such rebuilding, repairing, restoring or replacing such damage or loss. Any amount remaining in the Construction Fund after such rebuilding, repairing, restoring or replacing shall be deposited into the Principal and Interest Fund and used to pay or redeem the Bonds and the interest thereon as provided in the Indenture.

(c) If the Library Board determines that rebuilding, repairing, restoring or replacing the Facility is not practicable and desirable, any Net Proceeds of casualty insurance required by this Sublease and received with respect to any such damage or loss to the Facility shall be paid into the Principal and Interest Fund. The Library Board agrees that it shall be reasonable in exercising its judgment pursuant to this subsection (c).

(d) The Library Board shall not, by reason of its inability to use all or any part of the Facility during any period in which the Facility is damaged or destroyed, or is being repaired, rebuilt, restored or replaced nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement or any abatement or diminution of the Basic Rent or Additional Rent payable by the Library Board under this Sublease nor of any other obligations of the Library Board under this Sublease except as expressly provided in this Section.

Section 17.2 Condemnation.

(a) If, during the Term title to, or the temporary use of, all or any part of the Facility shall be condemned by any authority exercising the power of eminent domain, the Library Board shall, within 90 days after the date of entry of a final order in any eminent domain proceedings granting condemnation, notify the County, the PBC and the Trustee in writing as to the nature and extent of such condemnation and whether it is practicable and desirable to acquire or construct facilities to substitute for the Facility, or portion thereof.

(b) If the Library Board determines that such substitution is practicable and desirable, the Library Board shall forthwith proceed with and complete with reasonable dispatch the acquisition or construction of such substitute facilities. In such case, any Net Proceeds received from any award or awards with respect to the Facility or any part thereof made in such condemnation or eminent domain proceeds shall be deposited in the Construction Fund and shall be used and applied for the purpose of paying the cost of such substitution. Any amount remaining in the Construction Fund after such acquisition or construction shall be deposited into the Principal and Interest Fund and used to pay or redeem the Bonds and the interest thereon as provided in the Indenture.

(c) If the Library Board determines that it is not practicable and desirable to acquire or construct substitute facilities, any Net Proceeds of condemnation awards received by the Library Board shall be paid into the Principal and Interest Fund. The Library Board agrees that it shall be reasonable in exercising its judgment pursuant to this subsection (c).

(d) The Library Board shall not, by reason of its inability to use all or any part of the Facility during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement or any abatement or diminution of the Basic Rent or Additional Rent payable by the Library Board under this Sublease nor of any other obligations hereunder except as expressly provided in this Section.

(e) The County shall cooperate fully with the Library Board in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Facility or any part thereof. In no event will the County voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Facility or any part thereof without the written consent of the Library Board.

Section 17.3 Effect of the Library Board's Default. Anything in this Article to the contrary notwithstanding, the County, the PBC and the Trustee shall have the right at any time and from time to time to withhold payment of all or any part of the Net Proceeds from the Construction Fund attributable to damage, destruction or condemnation of the Facility to the Library Board or any third party if an Event of Default has occurred and is continuing under this Sublease, or the County has given notice to the Library Board of an Event of Default which, with the passage of time, will become an Event of Default. In the event the Library Board cures any Default specified herein, the County, the PBC or the Trustee may make payments from the Net Proceeds to the Library Board in accordance with the provisions of this Article. However, if this Sublease is terminated or the County, the PBC or the Trustee otherwise re-enters and takes

possession of the Facility without terminating this Sublease, the County, the PBC and the Trustee shall pay all the Net Proceeds held by them into the Principal and Interest Fund and all rights of the Library Board in and to such Net Proceeds shall cease.

ARTICLE XVIII

Section 18.1 Remedies on Default. Whenever any Event of Default shall have happened and be continuing, the County may take any one or more of the following remedial actions:

(a) Give the Library Board written notice of intention to terminate this Sublease on a date specified therein, which date shall not be earlier than 30 days after such notice is given and, if all Events of Default have not then been cured on the date so specified, the Library Board's rights to possession of the Facility shall cease, and this Sublease shall thereupon be deemed terminated, and the County may re-enter and take possession of the Facility; or

(b) Without terminating the Term hereof, or this Sublease, conduct inspections or an Environmental Assessment of the Facility, and re-enter the Facility or take possession thereof pursuant to legal proceedings or any notice provided for by law and this Sublease. The County may refuse to re-enter or take possession of the Facility if it has reasonable cause for such refusal. "Reasonable cause" shall include the presence on the Facility of conditions which are in violation of any Environmental Law or the existence or threat of a remedial action against the Library Board under any Environmental Law resulting from conditions on the Facility.

Having elected to re-enter or take possession of the Facility without terminating the Term or this Sublease, the County shall use reasonable diligence to relet the Facility, or parts thereof, subject to the Base Lease and the Lease, for such term or terms and at such rental and upon such other terms and conditions as are deemed advisable, with the right to make alterations and repairs to the Facility, and no such re-entry or taking of possession of the Facility shall be construed as an election to terminate this Sublease, and no such re-entry or taking of possession shall relieve the Library Board of its obligation to pay Basic Rent or Additional Rent (at the time or times provided herein), or of any of its other obligations under this Sublease, all of which shall survive such re-entry or taking of possession. The Library Board shall continue to pay the Basic Rent and Additional Rent provided for in this Sublease until the end of the Term, whether or not the Facility shall have been relet, less the net proceeds, if any, of reletting the Facility.

Having elected to re-enter or take possession of the Facility pursuant to subsection (b) above, the County may (subject, however, to any restrictions against termination of this Sublease in the Indenture, the Base Lease or the Lease), by notice to the Library Board given at any time thereafter while the Library Board is in default in the payment of Basic Rent or Additional Rent or in the performance of any other obligation under this Sublease, elect to terminate this Sublease in accordance with subsection (a) above and thereafter proceed to sell its interest in the Facility subject to the Base Lease and the Lease.

If, in accordance with any of the foregoing provisions of this Article, the County shall have the right to elect to re-enter and take possession of the Facility, the County may enter and expel the Library Board and those claiming through or under the Library Board and remove the property and effects of both or either by all lawful means without being guilty of any manner of trespass and without prejudice to any remedies for arrears of Basic Rent or Additional Rent or preceding breach of covenant.

All Basic Rent recovered from the Library Board and the net proceeds of any re-letting or sale of the Facility shall be deposited by the County in the Principal and Interest Fund and applied by the PBC as set forth in the Indenture. For purposes of this paragraph, "net proceeds" means the receipts obtained from

reletting or sale after deducting all expenses incurred in connection with such reletting or sale, including without limitation, all repossession costs, brokerage commissions, legal fees and expenses, expenses of employees, alteration costs and expenses of preparation of the Facility for reletting or sale.

Section 18.2 Survival of Obligations. The Library Board covenants and agrees with the County, the PBC and the Owners that until all the Bonds and the interest thereon and redemption premium, if any, are paid in full or provision made for the payment thereof in accordance with the Indenture, its obligations under this Sublease shall survive the cancellation and termination of this Sublease, for any cause, and that the Library Board shall continue to be obligated to pay Basic Rent and Additional Rent (reduced by any net income the County or the PBC may receive from the Facility after such termination) and perform all other obligations provided for in this Sublease, all at the time or times provided in this Sublease. Notwithstanding any provision of this Sublease or the Indenture, the Library Board's obligations under **Section 14.1** hereof and the County's assignment of rights pursuant to **Section 16.1** hereof shall survive any termination, release or assignment of this Sublease and payment or provision for payment of the Bonds.

Section 18.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to the County is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Sublease or now or hereafter existing at law or in equity or by statute, subject to the provisions of the Indenture. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power, or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than notice required herein.

ARTICLE XIX

Section 19.1 Performance of the Library Board's Obligations by the County. If the Library Board shall fail to keep or perform any of its obligations as provided in this Sublease, then the County may (but shall not be obligated to do so) upon the continuance of such failure on the Library Board's part for 90 days after notice of such failure is given the Library Board by the County and without waiving or releasing the Library Board from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and the Library Board shall reimburse the County for all sums so paid by the County and all necessary or incidental costs and expenses incurred by the County in performing such obligations through payment of Additional Rent. If such Additional Rent is not so paid by the Library Board within ten (10) days of demand, the County shall have the same rights and remedies provided for in **Article XVIII** in the case of default by the Library Board in the payment of Basic Rent.

ARTICLE XX

Section 20.1 Surrender of Possession. Upon accrual of the County's right of re-entry as the result of an Event of Default by the Library Board hereunder or upon the cancellation or termination of this Sublease by lapse of time or otherwise (other than as a result of the County's purchase of the Facility), the Library Board shall peacefully surrender possession of the Facility to the County in good condition and repair, ordinary wear and tear excepted; provided, however, the Library Board shall have the right, prior to or within 120 days after the termination of this Sublease, to remove from or about the Facility any buildings, improvements, personal property, furniture and fixtures that are not a part of the Facility under the terms of this Sublease. All repairs to and restorations of the Facility required to be made because of such removal shall be made by and at the sole cost and expense of the Library Board. All buildings, improvements,

personal property, furniture and fixtures owned by the Library Board and which are not so removed from or about the Facility prior to or within 120 days after such termination of this Sublease shall become subject to the Base Lease and the Lease.

ARTICLE XXI

Section 21.1 Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Sublease shall be in writing and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via facsimile, with electronic or telephonic confirmation of receipt, or (c) communicated via electronic mail with electronic or telephonic confirmation of receipt to the Notice Representative at the Notice Address. The County and the Library Board may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent. All notices given by: (1) certified or registered mail shall be deemed duly given as of the date they are so mailed, however, notice to the Trustee shall be deemed duly given upon actual receipt; (b) facsimile or electronic mail shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the other party shall constitute a sufficient notice.

ARTICLE XXII

Section 22.1 Net Lease. The parties hereto agree that: (a) this Sublease is intended to be a net lease; (b) the payments of Basic Rent and Additional Rent are designed to provide the County with funds adequate in amount to pay the County's payments of Basic Rent and Additional Rent under the Lease as the same become due and payable and to pay and discharge all of the other duties and requirements set forth herein; and (c) to the extent that the payments of Basic Rent and Additional Rent are not adequate to provide the County with funds sufficient for the purposes aforesaid, the Library Board shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money as may from time to time be required for such purposes.

ARTICLE XXIII

Section 23.1 Rights and Remedies. The rights and remedies reserved by the County and the Library Board hereunder and those provided by law shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The County and the Library Board shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Sublease, and each party hereby waives the right to raise such defense in any proceeding in equity.

Section 23.2 Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by either party of any covenant, agreement or undertaking, the nondefaulting party may nevertheless accept from the other any payment or payments or performance hereunder without in any way waiving its right to exercise any of its rights and remedies provided for herein or otherwise with respect to any such default or defaults which were in existence at the time such payment or payments or performance were accepted by it.

Section 23.3 The County Shall Not Unreasonably Withhold Consents and Approvals.

Wherever in this Sublease it is provided that the County shall, may or must give its approval or consent, or execute supplemental agreements, exhibits or schedules, the County shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements, exhibits or schedules.

ARTICLE XXIV

Section 24.1 Funds Held by the County After Payment of All Bonds. If, after the principal of and interest on all of the Bonds and all costs incident to the payment of the Bonds have been paid in full pursuant to the Indenture and the Lease, the County holds unexpended funds received in accordance with the terms hereof, such unexpended funds shall, except as otherwise provided in this Sublease, the Lease and the Indenture and after payment therefrom to the County of any sums of money then due and owing by the Library Board under the terms of this Sublease, be the absolute property of and be paid over forthwith to the Library Board.

ARTICLE XXV

Section 25.1 Amendments. This Sublease may be amended, changed or modified in the following manner:

(a) With respect to an amendment, change or modification which reduces the Basic Rent or Additional Rent, or any amendment which reduces the percentage of Owners whose consent is required for any such amendment, change or modification, by an agreement in writing executed by the County and the Library and consented to in writing by the PBC and the Owners of 100% of the aggregate principal amount of the Bonds then Outstanding.

(b) With respect to any other amendment, change or modification which will materially adversely affect the security or rights of the Owners, by an agreement in writing executed by the County and the Library Board and consented to in writing by the PBC and the Owners of a majority in aggregate principal amount of the Bonds then Outstanding; provided that a modification to *Schedule 1* hereto to conform to actual legal descriptions of the components of the Land may be accomplished with an addendum executed by the County and the Library Board without the consent of the PBC or the Owners.

(c) With respect to all other amendments, changes, or modifications, by an agreement in writing executed by the County and the Library Board.

At least 30 days prior to the execution of any agreement pursuant to (c) above, the County and the Library Board shall furnish the PBC with a copy of the amendment, change or modification proposed to be made.

Section 25.2 Granting of Easements. If no Event of Default under this Sublease shall have happened and be continuing, the Library Board may, at any time or times, (a) grant easements, licenses and other rights or privileges in the nature of easements with respect to any property included in the Facility, free from any rights of the County, the PBC or the Owners, or (b) release existing easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Library Board shall determine, and the County agrees, to the extent that it may legally do so, that it will execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right-of-way or other right or privilege or any such agreement or other

arrangement, upon receipt by the County, the PBC and the Trustee of: (i) a copy of the instrument of grant or release or of the agreement or other arrangement, (ii) a written application signed by the Authorized Library Board Representative requesting such instrument, and (iii) a certificate executed by the Library Board stating (A) that such grant or release is not detrimental to the proper conduct of the business of the Library Board, and (B) that such grant or release will not impair the effective use or interfere with the efficient and economical operation of the Facility and will not materially adversely affect the security of the Owners. If the instrument of grant shall so provide, any such easement or right and the rights of such other parties thereunder shall be superior to the rights of the County, the PBC and the Bondowners and shall not be affected by any termination of this Sublease or default on the part of the Library Board hereunder. If no Event of Default shall have happened and be continuing, any payments or other consideration received by the Library Board for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Library Board, but, in the event of the termination of this Sublease because of an Event of Default, all rights then existing of the Library Board with respect to or under such grant shall inure to the benefit of and be exercisable by the County.

Section 25.3 Security Interests. The Library Board agrees to execute and deliver all instruments (including financing statements and continuation statements) necessary for perfection of and continuation of the security interest of the County in and to the Facility. The County is authorized by the Library Board to file or cause to be filed all such original instruments and shall continue or cause to be continued the liens of such instruments for so long as the Bonds shall be Outstanding.

Section 25.4 Construction and Enforcement. This Sublease shall be construed and enforced in accordance with the laws of the State. The provisions of this Sublease shall be applied and interpreted in accordance with the rules of interpretation set forth in the Indenture. Wherever in this Sublease it is provided that either party shall or will make any payment or perform or refrain from performing any act or obligation, each such provision shall, even though not so expressed, be construed as an express covenant to make such payment or to perform, or not to perform, as the case may be, such act or obligation.

Section 25.5 Invalidity of Provisions of Lease. If, for any reason, any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

Section 25.6 Covenants Binding on Successors and Assigns. The covenants, agreements and conditions herein contained shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Section 25.7 Execution of Counterparts. This Sublease may be executed simultaneously in multiple counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

Section 25.8 Electronic Transactions. This Sublease and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

DEFINITIONS

Section 1.1. Definitions of Words and Terms. Except as otherwise provided in this Tax Agreement or unless the context otherwise requires, capitalized words and terms used in this Tax Agreement have the same meanings as set forth in the Indenture, and certain other words and phrases have the meanings assigned in Code §§ 103, 141-150 and the Regulations. The following words and terms used in this Tax Agreement have the following meanings:

“Adjusted Gross Proceeds” means the Gross Proceeds reduced by amounts (a) in a Bona Fide Debt Service Fund or a reasonably required reserve or replacement fund, (b) that as of the Issue Date are not expected to be Gross Proceeds, but which arise after the end of the applicable spending period, and (c) representing grant repayments or sale or investment proceeds of any purpose Investment.

“Available Construction Proceeds” means the sale proceeds of the Bonds increased by (a) investment earnings on such sale proceeds, (b) earnings on amounts in a reasonably required reserve or replacement fund allocable to the Bonds but not funded from the Bonds, and (c) earnings on such earnings, reduced by sale proceeds (1) in any reasonably required reserve fund or (2) used to pay issuance costs of the Bonds.

“Bond” or **“Bonds”** means any bond or bonds of the PBC’s Lease Purchase Revenue Bonds (Library Project), Series 2023B.

“Bond Compliance Officer” means the County’s Accounting and Financial Reporting Manager, or other person serving as the Post-Issuance Compliance Officer under the Tax Compliance Policy from time to time.

“Code” means the Internal Revenue Code of 1986, as amended.

“Computation Date” means each date on which arbitrage rebate or yield-restriction for the Bonds is computed. The PBC may treat any date as a Computation Date, subject to the following limits:

- (a) the first rebate installment payment or yield reduction installment payment must be made for a Computation Date not later than 5 years after the Issue Date;
- (b) each such subsequent installment payment must be made for a Computation Date not later than five years after the previous Computation Date for which an installment payment was made; and
- (c) the date the last Bond is discharged is the final Computation Date.

The PBC selects September 1, 2028 as the first Computation Date, but reserves the right to select a different date consistent with the Regulations.

“County” means Johnson County, Kansas, and its successors and assigns.

“Final Written Allocation” means the written allocation of proceeds of the Bonds to expenditures for the Project, a sample form of which is set forth on **Exhibit F**.

(b) Agreements with Non-Qualified Users to use all or a portion of the Financed Facilities for a period up to 200 days in length pursuant to an arrangement whereby (1) the use of the Financed Facilities under the same or similar arrangements is predominantly by natural persons who are not engaged in a trade or business and (2) the compensation for the use is determined based on generally applicable, fair market value rates that are in effect at the time the agreement is entered into or renewed. Any Non-Qualified User using all or any portion of the Financed Facilities under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(c) Agreements with Non-Qualified Users to use all or a portion of the Financed Facilities for a period up to 100 days in length pursuant to arrangements whereby (1) the use of the property by the person would be general public use but for the fact that generally applicable and uniformly applied rates are not reasonably available to natural persons not engaged in a trade or business, (2) the compensation for the use under the arrangement is determined based on applicable, fair market value rates that are in effect at the time the agreement is entered into or renewed, and (3) the Financed Facilities were not constructed for a principal purpose of providing the property for use by that Non-Qualified User. Any Non-Qualified User using all or any portion of the Financed Facilities under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(d) Agreements with Non-Qualified Users to use all or a portion of the Financed Facilities for a period up to 50 days in length pursuant to a negotiated arm's-length arrangement at fair market value so long as the Financed Facilities were not constructed for a principal purpose of providing the property for use by that person.

“Qualified User” means a State, territory, possession of the United States, the District of Columbia, or any political subdivision thereof, or any instrumentality of such entity, but it does not include the United States or any agency or instrumentality of the United States.

- (b) *Issuance of Bonds on Behalf of the County.* The PBC is issuing the Bonds on behalf of the County, a political subdivision of the State of Kansas and, in accordance therewith, represents and certifies as follows:
 - (1) the PBC is a public corporation authorized by K.S.A. 12-1757 *et seq.*, formed by and at the direction of the County for the purpose of financing certain projects and holding property in trust for the County;
 - (2) the PBC was formed by the Board of County Commissioners of the County (the governing body of the County), which formally approved the creation of the PBC by resolution; and
 - (3) the PBC is authorized under Kansas law to issue bonds in furtherance of its corporate purposes, which include the power to finance and lease the Project to the County.
- (c) *Tax-Exempt Status of Bonds—General Covenant.* In order to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes, the PBC (to the extent within its power or direction) will take whatever action, and refrain from whatever action, necessary to comply with the applicable requirements of the Code, and will not use or permit the use of any Bond proceeds or other funds of the PBC, directly or indirectly, in any manner, or take or permit to be taken any other action, that would cause interest on the Bonds to be included in gross income for federal income tax purposes.
- (d) *IRS Form 8038.* Attached to this Tax Agreement as **Exhibit A** is a copy of IRS Form 8038-G (Information Return for Tax-Exempt Governmental Obligations) prepared by Bond Counsel based on information provided by the PBC, the County and the Library Board that is to be executed by a representative of the PBC and filed with the IRS in connection with the issuance of the Bonds, as required by Code § 149(e). The PBC does not know of any inaccuracies in the Form 8038-G included as **Exhibit A**. The PBC will timely execute and return to Bond Counsel the execution copy of IRS Form 8038-G for filing with the IRS. The PBC will execute any other IRS Forms (such as IRS Form 8038T, Arbitrage Rebate,

Yield Reduction and Penalty in Lieu of Arbitrage Rebate) in the future, based on the instructions of Bond Counsel or the Rebate Analyst.

- (e) *No Hedge Bonds.* The PBC (1) reasonably expects that at least 85% of the net sale proceeds (the sale proceeds less any sale proceeds invested in a reserve fund) of the Bonds will be used to carry out the governmental purpose of the Bonds within 3 years after the Issue Date, and (2) not more than 50% of the proceeds of the Bonds will be invested in investments having a substantially guaranteed yield for 4 years or more.
- (f) *Reimbursement of Expenditures.* On September 17, 2020, the PBC adopted a resolution (contained as Tab 9 of the Transcript) declaring the PBC's intent to finance the Financed Facilities with tax-exempt obligations for the benefit of the Library Board and to reimburse the PBC, the County or Library Board for expenditures made for the Financed Facilities prior to the issuance of such obligations. The PBC expects to reimburse from Bond proceeds for expenditures made for the Financed Facilities paid prior to the Issue Date in the amount of \$[_____], as shown on **Exhibit E**; provided that, except as otherwise permitted by Regulations § 1.150-2(f) (relating to *de minimis* amounts and preliminary expenditures), (1) no Bond proceeds will be used to reimburse an expenditure paid by the PBC, the County or the Library Board more than 60 days prior to the date said resolution was adopted, (2) no reimbursement allocation will be made more than 18 months following the later of the date the expenditure was paid or the date the Financed Facilities were placed in service, and (3) no reimbursement allocation will be made for an expenditure paid more than three years prior to the date of the reimbursement allocation.
- (g) *Registered Bonds.* The Indenture requires that all of the Bonds will be issued and held in registered form within the meaning of Code § 149(a).
- (h) *Guaranteed Investment Contract.* As of the Issue Date, the PBC does not expect to enter into a Guaranteed Investment Contract for the investment of any Gross Proceeds of the Bonds. The PBC will not enter into any such arrangement in the future without consulting with Bond Counsel.
- (i) *Interest Rate Swap.* As of the Issue Date, the PBC has not entered into an interest rate swap agreement or any other similar arrangement designed to modify its interest rate risk with respect to the Bonds. The PBC will not enter into any such arrangement in the future without consulting with Bond Counsel.
- (j) *Bank Qualified Tax-Exempt Obligations.* The Bonds are *not* "qualified tax-exempt obligations" under Code § 265(b)(3).
- (k) *Compliance with Future Tax Requirements.* The PBC understands that the Code and the Regulations may impose new or different restrictions and requirements on the PBC in the future. The PBC will comply with such future restrictions that are necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.
- (l) *PBC Reliance on Other Parties.* The expectations, representations and covenants of the PBC described in this Tax Agreement and other matters are based in whole or in part upon covenants, representations and certifications of the County and the Library Board set forth in this Tax Agreement. Although the PBC has made no independent investigation of the

representations of the County or the Library Board, the PBC is not aware of any facts or circumstances that would cause it to question the accuracy or reasonableness of any representation made in this Tax Agreement.

Section 2.2. Representations and Covenants of the County. The County represents and covenants as follows:

- (a) *Organization and Authority.* The County (1) is a political subdivision organized and existing under the laws of the State of Kansas, (2) has lawful power to enter into, execute and deliver the Lease, the Sublease and this Tax Agreement and to carry out its obligations under the Lease, the Sublease and this Tax Agreement, and (3) by all necessary action has been duly authorized to execute and deliver the Lease, the Sublease and this Tax Agreement, acting by and through its duly authorized officials.
- (b) *Tax-Exempt Status of Bonds—General Representation and Covenants.* In order to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes, the County (to the extent within its power or direction) will take whatever action, and refrain from whatever action, necessary to comply with the applicable requirements of the Code, and will not use or permit the use of any Bond proceeds or other funds of the County, directly or indirectly, in any manner, or take or permit to be taken any other action, that would cause interest on the Bonds to be included in gross income for federal income tax purposes.
- (c) *Governmental Obligations.* The Financed Facilities will be leased to the County under the Lease, and the County will, in turn, sublease the Financed Facilities to the Library Board under the Sublease. If the Sublease is terminated or is otherwise no longer in effect, and the County either assumes direct operation and control of the Financed Facilities or subleases or enters into a management or operating agreement with another entity related to the operations of the Financed Facilities, then, in either case, the County will comply with, or require any subsequent sublessee or operator to comply with, the covenants and representations made by the Library Board relating to the use and operation of the Financed Facilities, as set forth in **Section 2.3** of this Tax Agreement.
- (d) *IRS Forms.* The County will instruct and assist the PBC, as necessary, in filing all appropriate returns, reports and attachments to income tax returns required by the Code, including without limitation IRS Form 8038-G (Information Return for Tax-Exempt Governmental Obligations).
- (e) *Guaranteed Investment Contract.* As of the Issue Date, the County does not expect to enter into a Guaranteed Investment Contract for any Gross Proceeds of the Bonds. The County will not enter into any such arrangement in the future without consulting with Bond Counsel.
- (f) *Interest Rate Swap.* As of the Issue Date, the County has not entered into an interest rate swap agreement or any other similar arrangement designed to modify its interest rate risk with respect to the Bonds. The County will not enter into any such arrangement in the future without consulting with Bond Counsel.
- (g) *Bank Qualified Tax-Exempt Obligation.* The County acknowledges and understands that the Bonds are not “qualified tax exempt obligations” under Code § 265(b)(3).

- (h) *Compliance with Future Tax Requirements.* The County understands that the Code and the Regulations may impose new or different restrictions and requirements on the County in the future. The County will comply with such future restrictions that are necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

Section 2.3. Representations and Covenants of the Library Board. The Library Board represents and covenants as follows:

- (a) *Organization and Authority.* The Library Board (1) is a body corporate and politic organized and existing under the laws of the State of Kansas, (2) has lawful power to enter into, execute and deliver the Sublease and this Tax Agreement and to carry out its obligations under the Sublease and this Tax Agreement, and (3) by all necessary action has been duly authorized to execute and deliver the Sublease and this Tax Agreement, acting by and through its duly authorized officials.
- (b) *Tax-Exempt Status of Bonds—General Covenant.* In order to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes, the Library Board will take whatever action, and refrain from whatever action, necessary to comply with the applicable requirements of the Code, and will not use or permit the use of any Bond proceeds or other funds of the PBC, directly or indirectly, in any manner, or take or permit to be taken any other action, that would cause interest on the Bonds to be included in gross income for federal income tax purposes.
- (c) *Governmental Obligations—Use of Proceeds.* Throughout the Measurement Period: (1) all of the Financed Facilities are expected to be owned by a Qualified User, (2) no portion of the Financed Facilities is expected to be used in a Non-Qualified Use, and (3) the Library Board will not permit any Non-Qualified Use of the Financed Facilities without first obtaining an Opinion of Bond Counsel.
- (d) *Governmental Obligations—Private Security or Payment.* As of the Issue Date, the Library Board expects that none of the principal of and interest on the Bonds will be (under the terms of the Bonds or any underlying arrangement) directly or indirectly:
 - (1) secured by (A) any interest in property used or to be used for a Non-Qualified Use, or (B) any interest in payments in respect of such property; or
 - (2) derived from payments (whether or not such payments are made to the PBC, the County or the Library Board) in respect of property, or borrowed money, used or to be used for a Non-Qualified Use.

For purposes of the foregoing, taxes of general application, including payments in lieu of taxes, are not treated as private payments or as private security. The Library Board will not permit any private security or payment with respect to the Bonds without first obtaining an Opinion of Bond Counsel.

- (e) *No Private Loan.* Not more than 5% of the net proceeds of the Bonds will be loaned directly or indirectly to any Non-Qualified User.

- (f) *Management Agreements.* As of the Issue Date, the Library Board has not entered into any Management Agreements for the Financed Facilities with Non-Qualified Users. During the Measurement Period, the Library Board will not enter into or renew any Management Agreement for the Financed Facilities with any Non-Qualified User without first obtaining an Opinion of Bond Counsel.
- (g) *Leases.* As of the Issue Date, the Library Board has not entered into any leases of any portion of the Financed Facilities with Non-Qualified Users (disregarding the Base Lease and the Sublease for this purpose). During the Measurement Period, the Library Board will not enter into or renew any lease or similar agreement or arrangement of any portion of the Financed Facilities with a Non-Qualified User, other than a Qualified Use Agreement, without first obtaining an Opinion of Bond Counsel.
- (h) *No Hedge Bonds.* The Library Board (1) reasonably expects that at least 85% of the net sale proceeds (the sale proceeds less any sale proceeds invested in a reserve fund) of the Bonds will be used to carry out the governmental purpose of the Bonds within 3 years after the Issue Date, and (2) not more than 50% of the proceeds of the Bonds will be invested in investments having a substantially guaranteed yield for 4 years or more.
- (i) *Limit on Maturity of Bonds.* A list of the assets included in the Financed Facilities and a computation of the “average reasonably expected economic life” is attached to this Tax Agreement as **Exhibit C**. The “average maturity” of the Bonds of [] years, as computed by the Municipal Advisor, does not exceed 120% of the average reasonably expected economic life of the Financed Facilities.
- (j) *Bonds Not Federally Guaranteed.* The Library Board will not take any action or permit any action to be taken which would cause any Bond to be “federally guaranteed” within the meaning of Code § 149(b).
- (k) *IRS Forms.* The Library Board will instruct and assist the PBC and the County in filing all appropriate returns, reports and attachments to income tax returns required by the Code, including without limitation IRS Form 8038-G (Information Return for Tax-Exempt Governmental Obligations). The information contained in Parts II through VI of IRS Form 8038-G attached as **Exhibit A** was provided to the PBC, the County and Bond Counsel by the Library Board, and such information is true, complete and correct as of the Issue Date.
- (l) *Compliance with Future Tax Requirements.* The Library Board understands that the Code and the Regulations may impose new or different restrictions and requirements on the County in the future. The Library Board will comply with such future restrictions that are necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

Section 2.4. Representations and Covenants of the Trustee. The Trustee represents and covenants as follows:

- (a) The Trustee will comply with the provisions of this Tax Agreement that apply to it as Trustee and any written letter or Opinion of Bond Counsel, specifically referencing the Bonds and received by the Trustee, that sets forth any action necessary to comply with any statute, regulation or ruling that may apply to it as Trustee and relating to reporting requirements or other requirements necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

- (b) The Trustee, acting on behalf of the PBC, the County or the Library Board, may from time to time cause a firm of attorneys, consultants or independent accountants or an Investment banking firm to provide the Trustee with such information as it may request in order to determine all matters relating to (1) the Yield on the Bonds as it relates to any data or conclusions necessary to verify that the Bonds are not “arbitrage bonds” within the meaning of Code § 148, and (2) compliance with arbitrage rebate requirements of Code § 148(f). The Library Board will pay all costs and expenses incurred in connection with supplying the foregoing information.
- (c) The Trustee, acting on behalf of the PBC, the County or the Library Board, will retain records related to the investment and expenditure of Gross Proceeds held in funds and accounts maintained by the Trustee and any records provided to the Trustee by the PBC, the County or the Library Board related to the Post-Issuance Tax Requirements. The Trustee will retain these records until three years following the final maturity of (1) the Bonds or (2) any obligations issued to refund the Bonds; provided, however, if the Trustee is not retained to serve as trustee for any obligations issued to refund the Bonds, then the Trustee may satisfy its record retention duties under this subsection (c) by providing copies of all records in its possession related to the Bonds to the trustee for any such refunding obligations or another party designated by the PBC, the County or the Library Board.

Section 2.5. Survival of Representations and Covenants. All representations, covenants and certifications of the PBC, the County, the Library Board and the Trustee contained in this Tax Agreement or in any certificate or other instrument delivered by such parties under this Tax Agreement, will survive the execution and delivery of such documents and the delivery of the Bonds, as representations of facts existing as of the date of execution and delivery of the instruments containing such representations. The foregoing covenants of this Section will remain in full force and effect notwithstanding the defeasance of the Bonds.

ARTICLE III

ARBITRAGE CERTIFICATIONS AND COVENANTS

Section 3.1. General. The purpose of this Article III is to certify, under Regulations § 1.148-2(b), the expectations of the PBC, the County and the Library Board as to the sources, uses and investment of Bond proceeds and other money, in order to support the PBC’s conclusion that the Bonds are not arbitrage bonds. The person executing this Tax Agreement on behalf of the PBC, the County and the Library Board are officers of such parties responsible for the issuance of the Bonds.

Section 3.2. Reasonable Expectations. The facts, estimates and expectations set forth in this Article are based upon and in reliance upon the PBC’s understanding of the documents and certificates that comprise the Transcript, and the representations, covenants and certifications of the parties contained therein. To the PBC’s knowledge, the facts and estimates set forth in this Tax Agreement are accurate, and the expectations of the PBC set forth in this Tax Agreement are reasonable. None of the PBC, the County or the Library Board has any knowledge that would cause any such party to believe that the representations, warranties and certifications described in this Tax Agreement are unreasonable or inaccurate or may not be relied upon.

Section 3.3. Purpose of Financing. The Bonds are being issued for the purpose of providing funds to finance the Project for the benefit of the Library Board.

Section 3.4. Funds and Accounts. The following funds and accounts have been established under the Indenture:

- (a) Construction Fund
- (b) Principal and Interest Fund.
- (c) Costs of Issuance Fund.
- (d) Rebate Fund.

Section 3.5. Amount and Use of Bond Proceeds and Other Money.

(a) *Amount of Bond Proceeds.* The total proceeds to be received by the Trustee from the sale of the Bonds are as follows:

Principal Amount	\$[Principal Amount].00
Original Issue Premium/Discount	
Less Underwriting Discount	<u>0</u>
Total Proceeds Received by the Trustee	\$

(b) *Use of Bond Proceeds.* The Bond proceeds are expected to be allocated to expenditures as follows:

- (1) \$_____ of Bond proceeds will be deposited in the Costs of Issuance Fund and used to pay the costs of issuing the Bonds.
- (2) \$_____ of Bond proceeds will be deposited in the Construction Fund and used to pay costs of the Financed Facilities.

Section 3.6. No Multipurpose Issue. The Bonds are being issued for the single purpose of financing the Project.

Section 3.7. No Advance Refunding. No proceeds of the Bonds will be used more than 90 days following the Issue Date to pay principal of or interest on any other debt obligation.

Section 3.8. No Current Refunding. No proceeds of the Bonds will be used to pay principal of or interest on any other debt obligation.

Section 3.9. Project Completion. The PBC has incurred, or will incur within 6 months after the Issue Date, a substantial binding obligation to a third party to spend at least 5% of the Net Proceeds of the Bonds on the Financed Facilities. The completion of the Financed Facilities and the allocation of the Net Proceeds of the Bonds to expenditures will proceed with due diligence. At least 85% of the Net Proceeds of the Bonds will be allocated to expenditures on the Financed Facilities within 3 years after the Issue Date.

Section 3.10. Sinking Funds. The PBC is making the Financed Facilities available to the County under the Lease, and the County is in turn making the Financed Facilities available to the Library Board under the Sublease. The Library Board is required under the Sublease to make periodic payments in amounts sufficient to pay the principal of and interest on the Bonds, which payments will be deposited in

the Principal and Interest Fund. Except for the Principal and Interest Fund, no sinking fund or other similar fund that is expected to be used to pay principal of or interest on the Bonds has been established or is expected to be established. The Principal and Interest Fund is used primarily to achieve a proper matching of revenues with principal and interest payments on the Bonds within each Bond Year, and the PBC, the County and the Library Board expect that the Principal and Interest Fund will qualify as a Bona Fide Debt Service Fund.

Section 3.11. Reserve, Replacement and Pledged Funds.

- (a) *Debt Service Reserve Fund.* No reserve or replacement fund has been established for the Bonds.
- (b) *No Other Replacement or Pledged Funds.* None of the Bond proceeds will be used as a substitute for other funds that were intended or earmarked to pay costs of the Financed Facilities, and that instead has been or will be used to acquire higher Yielding Investments. Except for the Principal and Interest Fund, there are no other funds pledged or committed in a manner that provides a reasonable assurance that such funds would be available for payment of the principal of or interest on the Bonds if the PBC, the County or the Library Board encounters financial difficulty.

Section 3.12. Purpose Investment Yield. The proceeds of the Bonds will not be used to purchase an Investment for the purpose of carrying out the governmental purpose of the financing.

Section 3.13. Issue Price and Yield on Bonds.

- (a) *Issue Price.* Based on the Purchaser’s certifications in the Underwriter’s Receipt for Bonds and Closing Certificate attached as **Exhibit B-1** and the Municipal Advisor’s certifications in the Municipal Advisor’s Certificate Regarding Competitive Sale attached as **Exhibit B-2**, the PBC and the County hereby elect to establish the issue prices of the Bonds pursuant to Regulations § 1.148-1(f)(2)(i) (relating to the so-called “general rule”). Therefore, the aggregate issue price of the Bonds is \$ _____.
- (b) *Bond Yield.* Based on the issue price of the Bonds, the Yield on the Bonds is ____%, as computed by the Municipal Advisor and shown on **Schedule I**.

Section 3.14. Miscellaneous Arbitrage Matters.

- (a) *No Abusive Arbitrage Device.* The Bonds are not and will not be part of a transaction or series of transactions that has the effect of (1) enabling the PBC, the County or the Library Board to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, and (2) overburdening the tax-exempt bond market.
- (b) *No Over-Issuance.* The sale proceeds of the Bonds, together with expected investment earnings thereon and other money contributed by the PBC, the County or the Library Board, do not exceed the cost of the governmental purpose of the Bonds as described above.
- (c) *Single Issue; No Other Issues.* The Bonds constitute a single “issue” under Regulations § 1.150-1(c). No other debt obligations of the PBC, the County or the Library Board are being sold within 15 days of the sale of the Bonds, are being sold under the same plan of

financing as the Bonds, and are expected to be paid from substantially the same source of funds as the Bonds (disregarding guarantees from unrelated parties, such as bond insurance).

- (1) Series 2023A PBC Bonds. For purposes of this subsection (c), the PBC has sold and is issuing its Lease Purchase Revenue Bonds, Series 2023A, but such Series 2023A Bonds were sold under a different plan of financing than the Bonds, and therefore constitute a separate “issue” from the Bonds under Regulations § 1.150-1(c). A separate Tax Compliance Agreement and IRS Form 8038-G are being executed in connection with the issuance of such Series 2023A Bonds.
- (2) General Obligation Bonds. For purposes of this subsection (c), the County has sold and issuing its General Obligation Internal Improvement Bonds, Series 2023A simultaneously with the Bonds, but such General Obligation Bonds were sold under a different plan of financing than the Bonds, and therefore constitute a separate “issue” from the Bonds under Regulations § 1.150-1(c). A separate Federal Tax Certificate and IRS Form 8038-G are being executed in connection with the issuance of such General Obligation Bonds.

Section 3.15. Conclusion. On the basis of the facts, estimates and circumstances set forth in this Tax Agreement, the PBC does not expect that the Bond proceeds will be used in a manner that would cause any Bond to be an “arbitrage bond” within the meaning of Code § 148 and the Regulations.

ARTICLE IV

POST-ISSUANCE TAX REQUIREMENTS, POLICIES AND PROCEDURES

Section 4.1. General.

- (a) *Purpose of Article*. The purpose of this Article IV is to supplement the Tax Compliance Policy and to set out specific policies and procedures governing compliance with the federal income tax requirements that apply after the Bonds are issued. The PBC, the County and the Library Board recognize that interest on the Bonds will remain excludable from gross income only if Post-Issuance Tax Requirements are followed after the Issue Date. The PBC, the County and the Library Board further acknowledge that written evidence substantiating compliance with Post-Issuance Tax Requirements must be retained in order to permit the Bonds to be refinanced with tax-exempt obligations and support the position that interest on the Bonds is exempt from gross income in the event of an audit of the Bonds by the IRS.
- (b) *Written Policies and Procedures*. The PBC, the County and the Library Board intend for the Tax Compliance Policy, as supplemented by this Tax Agreement, to be the primary written policies and procedures for monitoring compliance with the Post-Issuance Tax Requirements for the Bonds and to supplement any other formal policies and procedures related to tax compliance otherwise established. The provisions of this Tax Agreement are intended to be consistent with the Tax Compliance Policy. In the event of any inconsistency between the Tax Compliance Policy and this Tax Agreement, the terms of this Tax Agreement will govern.

- (c) *Responsibilities for Post-Issuance Tax Requirements.* The PBC, the County and the Library Board acknowledge that the investment and expenditure of proceeds of the Bonds are primarily within the control of the PBC, but that substantially all of the Financed Facilities will be operated and controlled by the Library Board. For these reasons, the parties are relying on each other to carry out the respective Post-Issuance Tax Requirements applicable to each, in accordance with this Tax Agreement and the Tax Compliance Policy.
- (d) *Bond Compliance Officer.* The Bond Compliance Officer will be responsible for working with the PBC, the County and other Library Board officials, departments and administrators and for consulting with Bond Counsel, other legal counsel and outside experts to the extent necessary to carry out the Post-Issuance Tax Requirements for the Bonds. The Bond Compliance Officer is responsible for obtaining and delivering to the PBC, the County and the Library Board any Opinion of Bond Counsel required under the provisions of this Tax Agreement or the Tax Compliance Policy.
- (e) *Future Action; Costs.* The PBC and the County will, if necessary to fulfill its Post-Issuance Tax Requirements, sign Form 8038-T in connection with the payment of arbitrage rebate or yield reduction payments, participate in any federal income tax audit of the Bonds or related proceedings under a voluntary compliance agreement procedure (VCAP) or undertake a remedial action procedure pursuant to Regulations § 1.141-12. The parties to this Tax Agreement understand and intend that all such costs of the Post-Issuance Tax Requirements will be paid or reimbursed by the party responsible for that aspect of the Post-Issuance Tax Requirements.

Section 4.2. Record Keeping; Use of Bond Proceeds and Use of Financed Facilities.

- (a) *Record Keeping.* The Bond Compliance Officer will maintain the Tax-Exempt Bond File for the Bonds in accordance with the Tax Compliance Policy. Unless otherwise specifically instructed in a written Opinion of Bond Counsel or to the extent otherwise provided in this Tax Agreement, the Bond Compliance Officer shall retain records related to Post-Issuance Tax Requirements until 3 years following the final maturity of the Bonds or any obligation issued to refund the Bonds. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22, which generally provides that an electronic storage system must (1) ensure an accurate and complete transfer of the hardcopy records which indexes, stores, preserves, retrieves and reproduces the electronic records, (2) include reasonable controls to ensure integrity, accuracy and reliability of the electronic storage system and to prevent unauthorized alteration or deterioration of electronic records, (3) exhibit a high degree of legibility and readability both electronically and in hardcopy, (4) provide support for other books and records of the Library Board, and (5) not be subject to any agreement that would limit the ability of the IRS to access and use the electronic storage system on the Library Board's premises.
- (b) *Accounting and Allocation of Bond Proceeds to Expenditures.* Bond proceeds and other money will be used as described in **Section 3.5** hereof. The PBC will account for the investment and expenditure of Bond proceeds as part of the Tax-Exempt Bond File. The expected allocation of Bond proceeds to Project expenditures is set forth on **Exhibit C**; the PBC will supplement this expected allocation with a Final Written Allocation, a sample form of which is attached as **Exhibit F**.

- (c) *Annual Compliance Checklist.* Attached as **Exhibits D-1** and **D-2** are sample compliance checklists for the Bonds. The PBC and the Library Board will each prepare and complete a compliance checklist for the Bonds and the Financed Facilities at least annually in accordance with the Tax Compliance Policy. In the event the compliance checklist identifies a deficiency in compliance with the requirements of this Tax Agreement, the parties will take the actions identified in an Opinion of Bond Counsel or the Tax Compliance Policy to correct any deficiency.

Section 4.3. Temporary Periods/Yield Restriction. Except as described below, Gross Proceeds must not be invested at a Yield greater than the Yield on the Bonds:

- (a) *Construction Fund; Costs of Issuance Fund.* Bond proceeds deposited in the Construction Fund or the Costs of Issuance Fund, and investment earnings on those proceeds, may be invested without Yield restriction for up to 3 years following the Issue Date. If any such unspent proceeds remain after 3 years, those amounts may continue to be invested without Yield restriction so long as the County or the Library Board pays to the IRS all Yield reduction payments in accordance with Regulations § 1.148-5(c).
- (b) *Principal and Interest Fund.* To the extent that the Principal and Interest Fund qualifies as a Bona Fide Debt Service Fund, money in such account may be invested without Yield restriction for 13 months after the date of deposit. Earnings on such amounts may be invested without Yield restriction for one year after the date of receipt of such earnings.
- (c) *Minor Portion.* In addition to the amounts described above, Gross Proceeds not exceeding the Minor Portion may be invested without Yield restriction.

Section 4.4. Fair Market Value.

- (a) *General.* No Investment may be acquired with Gross Proceeds for an amount (including transaction costs) in excess of the fair market value of such Investment, or sold or otherwise disposed of for an amount (including transaction costs) less than the fair market value of the Investment. The fair market value of any Investment is the price a willing buyer would pay to a willing seller to acquire the Investment in a bona fide, arm's-length transaction. Fair market value will be determined in accordance with § 1.148-5 of the Regulations.
- (b) *Established Securities Market.* Except for Investments purchased for a Yield-restricted defeasance escrow, if an Investment is purchased or sold in an arm's-length transaction on an established securities market (within the meaning of Code § 1273), the purchase or sale price constitutes the fair market value. Where there is no established securities market for an Investment, market value must be established using one of the paragraphs below. The fair market value of Investments purchased for a Yield-restricted defeasance escrow must be determined in a bona fide solicitation for bids that complies with § 1.148-5 of the Regulations.
- (c) *Certificates of Deposit.* The purchase price of a certificate of deposit (a "CD") is treated as its fair market value on the purchase date if (1) the CD has a fixed interest rate, a fixed payment schedule, and a substantial penalty for early withdrawal, (2) the Yield on the CD is not less than the Yield on reasonably comparable direct obligations of the United States, and (3) the Yield is not less than the highest Yield published or posted by the CD issuer to be currently available on reasonably comparable CDs offered to the public.

- (d) *Guaranteed Investment Contracts.* The purchase price of a Guaranteed Investment Contract is treated as its fair market value on the purchase date if all of the following requirements are met:
- (1) Bona Fide Solicitation for Bids. The PBC or the Trustee makes a bona fide solicitation for the Guaranteed Investment Contract, using the following procedures:
- (A) The bid specifications are in writing and are timely forwarded to potential providers, or are made available on an internet website or other similar electronic media that is regularly used to post bid specifications to potential bidders. A writing includes a hard copy, a fax, or an electronic e-mail copy.
 - (B) The bid specifications include all “material” terms of the bid. A term is material if it may directly or indirectly affect the Yield or the cost of the Guaranteed Investment Contract.
 - (C) The bid specifications include a statement notifying potential providers that submission of a bid is a representation (i) that the potential provider did not consult with any other potential provider about its bid, (ii) that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the PBC, the County, the Library Board, the Trustee or any other person (whether or not in connection with the bond issue), and (iii) that the bid is not being submitted solely as a courtesy to the PBC, the County, the Library Board, the Trustee or any other person, for purposes of satisfying the requirements of the Regulations.
 - (D) The terms of the bid specifications are “commercially reasonable.” A term is commercially reasonable if there is a legitimate business purpose for the term other than to increase the purchase price or reduce the Yield of the Guaranteed Investment Contract.
 - (E) The terms of the solicitation take into account the reasonably expected deposit and draw-down schedule for the amounts to be invested.
 - (F) All potential providers have an equal opportunity to bid. If the bidding process affords any opportunity for a potential provider to review other bids (*i.e.*, a last look) before providing a bid, then providers have an equal opportunity to bid only if all potential providers have an equal opportunity to review other bids. Thus, no potential provider may be given an opportunity to review other bids that is not equally given to all potential providers (that is no exclusive “last look”).
 - (G) At least three “reasonably competitive providers” are solicited for bids. A reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the type of Investments being purchased.

- (2) Bids Received. The bids received must meet all of the following requirements:
 - (A) At least three bids are received from providers that were solicited as described above and that do not have a “material financial interest” in the issue. For this purpose, (i) a lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the Issue Date of the issue, (ii) any entity acting as a financial advisor with respect to the purchase of the Guaranteed Investment Contract at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue, and (iii) a provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.
 - (B) At least one of the three bids received is from a reasonably competitive provider, as defined above.
 - (C) If an agent or broker is used to conduct the bidding process, the agent or broker did not bid to provide the Guaranteed Investment Contract.
- (3) Winning Bid. The winning bid is the highest Yielding bona fide bid (determined net of any broker’s fees).
- (4) Fees Paid. The obligor on the Guaranteed Investment Contract certifies the administrative costs that it pays (or expects to pay, if any) to third parties in connection with supplying the Guaranteed Investment Contract.
- (5) Records. The PBC or the Trustee retains the following records with the bond documents until three years after the last outstanding Bond is redeemed:
 - (A) A copy of the Guaranteed Investment Contract.
 - (B) The receipt or other record of the amount actually paid for the Guaranteed Investment Contract, including a record of any administrative costs paid by the PBC, and the certification as to fees paid, described in paragraph (d)(4) above.
 - (C) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results.
 - (D) The bid solicitation form and, if the terms of Guaranteed Investment Contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.
- (e) *Other Investments*. If an Investment is not described above, the fair market value may be established through a competitive bidding process, as follows:
 - (1) at least three bids on the Investment must be received from persons with no financial interest in the Bonds (e.g., as underwriters or brokers); and

- (2) the Yield on the Investment must be equal to or greater than the Yield offered under the highest bid.

Section 4.5. Certain Gross Proceeds Exempt from the Rebate Requirement.

- (a) *General.* A portion of the Gross Proceeds of the Bonds may be exempt from rebate pursuant to one or more of the following exceptions. The exceptions typically will not apply with respect to all Gross Proceeds of the Bonds and will not otherwise affect the application of the Investment limitations described in **Section 4.3**. Unless specifically noted, the obligation to compute, and if necessary, to pay rebate as set forth in **Section 4.6** applies even if a portion of the Gross Proceeds of the Bonds is exempt from the rebate requirement. To the extent all or a portion of the Bonds is exempt from rebate the Rebate Analyst may account for such fact in connection with its preparation of a rebate report described in **Section 4.6**.
- (b) *Applicable Spending Exceptions.* The following optional rebate spending exceptions can apply to the Bonds:
 - (1) 6-month exception (Code § 148(f)(4)(B) and Regulations § 1.148-7(c)).
 - (2) 18-month exception (Regulations § 1.148-7(d)).
 - (3) 2-year exception (Code § 148(f)(4)(C) and Regulations § 1.148-7(e)).
- (c) *Special Elections Made with Respect to Spending Exception Elections.* No special elections are being made in connection with the application of the spending exceptions.
- (d) *Bona Fide Debt Service Fund.* To the extent that the Principal and Interest Fund qualifies as a Bona Fide Debt Service Fund, Investment earnings in the account cannot be taken into account in computing arbitrage rebate.
- (e) *Documenting Application of Spending Exception.* At any time prior to the first Computation Date, the PBC may engage the Rebate Analyst to determine whether one or more spending exceptions has been satisfied, and the extent to which the parties must continue to comply with **Section 4.5** hereof.
- (f) *General Requirements for Spending Exception.* The following general requirements apply in determining whether a spending exception is met.
 - (1) Using Adjusted Gross Proceeds or Available Construction Proceeds to pay principal of any Bonds is not taken into account as an expenditure for purposes of meeting any of the spending tests.
 - (2) The 6-month spending exception generally is met if all Adjusted Gross Proceeds of the Bonds are spent within 6 months following the Issue Date. The test may still be satisfied even if up to 5% of the sale proceeds remain at the end of the initial 6-month period, so long as this amount is spent within 1 year of the Issue Date.
 - (3) The 18-month spending exception generally is met if all Adjusted Gross Proceeds of the Bonds are spent in accordance with the following schedule:

Time Period After the Issue Date	Minimum Percentage of Adjusted Gross Proceeds Spent
6 months	15%
12 months	60%
18 months (Final)	100%

- (4) The 2-year spending exception generally is met if all Available Construction Proceeds are spent in accordance with the following schedule:

Time Period After the Issue Date	Minimum Percentage of Available Construction Proceeds Spent
6 months	10%
12 months	45%
18 months	75%
24 months (Final)	100%

- (5) For purposes of applying the 18-month and 2-year spending exceptions only, the failure to satisfy the **final** spending requirement is disregarded if the PBC and the County use due diligence to complete the Financed Facilities and the failure does not exceed the lesser of 3% of the aggregate issue price of the Bonds or \$250,000. **No such exception applies for any other spending period.**
- (6) For purposes of applying the 18-month and 2-year spending exceptions only, the Bonds meet the applicable spending test even if, at the end of the final spending period, proceeds not exceeding a Reasonable Retainage remain unspent, so long as such Reasonable Retainage is spent within 30 months after the Issue Date in the case of the 18-month exception or 3 years after the Issue Date in the case of the 2-year spending exception. **No such exception applies for any other spending period.**

Section 4.6. Computation and Payment of Arbitrage Rebate.

- (a) *Rebate Fund.* The Trustee will keep the Rebate Fund separate from all other funds and will administer the Rebate Fund under this Tax Agreement. Any Investment earnings derived from the Rebate Fund will be credited to the Rebate Fund, and any Investment loss will be charged to the Rebate Fund.
- (b) *Computation of Rebate Amount.* The PBC, the County, the Library Board and the Trustee will provide the Rebate Analyst Investment reports relating to each fund held by any such party that contains Gross Proceeds of the Bonds annually as of the end of each Bond Year and not later than ten days following each Computation Date. Each Investment report provided to the Rebate Analyst will contain a record of each Investment, including (1) purchase date, (2) purchase price, (3) information establishing the fair market value on the date such Investment was allocated to the Bonds, (4) any accrued interest paid, (5) face amount, (6) coupon rate, (7) frequency of interest payments, (8) disposition price, (9) any accrued interest received, and (10) disposition date. The Rebate Analyst will compute

rebate following each Computation Date and deliver a written report to the PBC, the County, the Library Board and the Trustee, together with an opinion or certificate of the Rebate Analyst stating that arbitrage rebate was determined in accordance with the Regulations. Each report and opinion will be provided not later than 45 days following the Computation Date to which it relates. In performing its duties, the Rebate Analyst may rely, in its discretion, on the correctness of financial analysis reports prepared by other professionals. If the sum of the amount on deposit in the Rebate Fund and the value of prior rebate payments is less than the arbitrage rebate due, the County will, within 55 days after such Computation Date, pay the amount of the deficiency for deposit into the Rebate Fund. If the sum of the amount on deposit in the Rebate Fund and the value of prior rebate payments is greater than the Rebate Amount such surplus in the Rebate Fund shall be transferred to the Principal and Interest Fund. After the final Computation Date or at any other time if the Rebate Analyst has advised the PBC and the County, any money left in the Rebate Fund will be paid to the County and may be used for any purpose not prohibited by law.

- (c) *Rebate Payments.* Within 60 days after each Computation Date, the County will pay the Trustee for deposit into the Rebate Fund, or will pay directly to the United States, the rebate amount then due, determined in accordance with the Regulations. Each payment must be (1) accompanied by IRS Form 8038-T and such other forms, documents or certificates as may be required by the Regulations, and (2) mailed or delivered to the IRS at the address shown below, or to such other location as the IRS may direct:

Internal Revenue Service Center
Ogden, UT 84201

- (d) *Successor Rebate Analyst.* If the firm acting as the Rebate Analyst resigns or becomes incapable of acting for any reason, or if the PBC desires that a different firm act as the Rebate Analyst, then the PBC, by an instrument in writing delivered to the firm then serving as the Rebate Analyst and any other party to this Tax Agreement, will engage a successor Rebate Analyst. In each case the successor Rebate Analyst must be a firm of nationally recognized bond counsel or a firm of independent certified public accountants and such firm must expressly agree to undertake the responsibilities assigned to the Rebate Analyst hereunder.
- (e) *Survival After Defeasance.* Notwithstanding anything in the Indenture, the Lease or the Sublease to the contrary, the obligation to pay arbitrage rebate and yield reduction amounts to the United States will survive the payment or defeasance of the Bonds.

Section 4.7. Filing Requirements. The PBC, the County and the Library Board will file or cause to be filed with the Internal Revenue Service such reports or other documents as are required by the Code in accordance with an Opinion of Bond Counsel.

ARTICLE V

MISCELLANEOUS PROVISIONS

Section 5.1. Term of Tax Agreement. This Tax Agreement will be effective concurrently with the issuance and delivery of the Bonds and will continue in force and effect until the principal of, redemption

premium, if any, and interest on all Bonds have been fully paid and all such Bonds are cancelled; provided that, the provisions of **Section 4.6** of this Tax Agreement regarding payment of arbitrage rebate and yield reduction amounts and all related penalties and interest will remain in effect until all such amounts are paid to the United States and the provisions of **Section 4.2** of this Tax Agreement relating to record keeping shall continue in force for the period described therein for records to be retained.

Section 5.2. Amendments. This Tax Agreement may be amended from time to time by the PBC, the County, the Library Board and the Trustee without notice to or the consent of any of the owners of the Bonds, but only if such amendment is in writing and is accompanied by an Opinion of Bond Counsel to the effect that, under then-existing law, assuming compliance with this Tax Agreement as so amended such amendment will not cause interest on any Bond to be included in gross income for federal income tax purposes. No such amendment will become effective until the PBC, the County, the Library Board and the Trustee receive this Opinion of Bond Counsel.

Section 5.3. Opinion of Bond Counsel. The PBC, the County, the Library Board and the Trustee may deviate from the provisions of this Tax Agreement if furnished with an Opinion of Bond Counsel to the effect that the proposed deviation will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. The PBC, the County, the Library Board and the Trustee will comply with any further or different instructions provided in an Opinion of Bond Counsel to the effect that the further or different instructions need to be complied with in order to maintain the validity of the Bonds or the exclusion from federal gross income of the interest on the Bonds.

Section 5.4. Reliance. In delivering this Tax Agreement the PBC, the County, the Library Board and the Trustee are making only those certifications, representations and agreements as are specifically attributed to it in this Tax Agreement. None of the PBC, the County, the Library Board or the Trustee is aware of any facts or circumstances which would cause it to question the accuracy of the facts, circumstances, estimates or expectations of any other party providing certifications as part of this Tax Agreement and, to the best of their knowledge, those facts, circumstances, estimates and expectations are reasonable. The parties providing certifications or representations to this Tax Agreement, including the PBC, understand that their certifications will be relied upon by the law firm of Gilmore & Bell, P.C., in rendering its opinion as to the validity of the Bonds and the exclusion from federal gross income of the interest on the Bonds.

Section 5.5. Severability. If any provision in this Tax Agreement or in the Bonds is determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not be affected or impaired.

Section 5.6. Benefit of Agreement. This Tax Agreement is binding upon the PBC, the County, the Library Board and the Trustee, and their respective successors and assigns, and inures to the benefit of the owners of the Bonds and to such parties. Nothing in this Tax Agreement or in the Indenture, the Lease, the Sublease or the Bonds, express or implied, gives to any person, other than the PBC, the County, the Library Board and the Trustee, and their respective successors and assigns, and the owners of the Bonds, any benefit or any legal or equitable right, remedy or claim under this Tax Agreement.

Section 5.7. Default; Breach and Enforcement. Any misrepresentation of a party contained herein or any breach of a covenant or agreement contained in this Tax Agreement may be pursued by the owners of the Bonds pursuant to the terms of the Indenture, the Lease, the Sublease or any other document which references this Tax Agreement and gives remedies for a misrepresentation or breach thereof.

Section 5.8. Execution in Counterparts. This Tax Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute the same instrument.

Section 5.9. Governing Law. This Tax Agreement will be governed by and construed in accordance with the laws of the State of Kansas.

Section 5.10. Electronic Transactions. The transaction described in this Tax Agreement may be conducted, and related documents may be stored, by electronic means.

[THE REMAINDER OF THIS PAGE IS LEFT INTENTIONALLY BLANK]

The parties to this Tax Agreement have caused this Tax Compliance Agreement to be duly executed by their duly authorized officers as of the Issue Date of the Bonds.

1. Receipt for Bonds. The Original Purchaser acknowledges receipt on the date hereof of all of the Bonds, consisting of fully registered Bonds in authorized denominations in a form acceptable to the Original Purchaser.

(a) *Public Offering.* The Original Purchaser offered all of the Bonds to the Public (as defined below) in a bona fide initial offering.

(b) *Reasonably Expected Initial Offering Price.* As of the sale date of the Bonds (October 27, 2021), the reasonably expected initial offering prices of the Bonds to the Public by the Original Purchaser are the prices listed in **Attachment 1** (the "Expected Offering Prices"). The Expected Offering Prices are the prices for the Maturities of the Bonds used by the Original Purchaser in formulating its bid to purchase the Bonds.

(i) The term "Maturity" means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

The undersigned, on behalf of Baker Tilly Municipal Advisors, LLC, Saint Paul, Minnesota (the "Municipal Advisor"), as the Municipal Advisor to the Public Building Commission of Johnson County, Kansas (the "Issuer") in connection with the issuance of the above-described bonds (the "Bonds"), has assisted the Issuer in soliciting and receiving bids from potential underwriters in connection with the sale of the Bonds in a competitive bidding process in which bids were requested for the purchase of the Bonds at specified written terms, and hereby certifies as set forth below with respect to the bidding process and award of the Bonds:

1. The Bonds were offered for sale at specified written terms more particularly described in the Notice of Bond Sale, which was distributed to potential bidders, a copy of which is attached to this Certificate as **Attachment 1**.

2. The Notice of Bond Sale was disseminated electronically as included in the Preliminary Official Statement dated _____, which was made widely available to potential bidders and posted to the Municipal Advisor's website on or about _____. The Notice of Bond Sale appeared in the calendar of bond sales in The Bond Buyer newspaper prior to the sale. 3. To the knowledge of the Municipal Advisor, all bidders were offered an equal opportunity to bid to purchase the Bonds, and the bidding process did not afford any opportunity for bidders to review other bids before providing a bid (that is, no "last-look").

4. The Issuer received bids from at least three bidders who represented that each has an established industry reputation for underwriting new issuances of municipal bonds. Based upon the Municipal Advisor's knowledge and experience in acting as the Municipal Advisor for other municipal issues, the Municipal Advisor believes those representations to be accurate. 5. The winning bidder was _____ (the "Original Purchaser"), whose bid was determined to be the best conforming bid in accordance with the terms set forth in the Notice of Bond Sale, as shown in the bid comparison attached as **Attachment 3** to this Certificate. SAMPLE FINAL WRITTEN ALLOCATION

**[\$Principal Amount]
PUBLIC BUILDING COMMISSION OF JOHNSON COUNTY, KANSAS
LEASE PURCHASE REVENUE BONDS
(LIBRARY PROJECT)
SERIES 2023B
DATED SEPTEMBER 7, 2023**

Final Written Allocation

The undersigned is the _____ of the Public Building Commission of Johnson County, Kansas (the “PBC”), and in that capacity has been authorized to prepare and execute this final allocation on behalf of the PBC, Johnson County, Kansas (the “County”) and the Board of Directors of the Johnson County Library (the “Library Board”) with respect to the above-referenced bonds (the “Bonds”). This allocation of the proceeds of the Bonds is necessary for the PBC, the County and the Library Board to satisfy ongoing reporting and compliance requirements under federal income tax laws.

Purpose. This document, together with the schedules and records referred to below, is intended to memorialize allocations of Bond proceeds to expenditures for purposes of §§ 141 and 148 of the Internal Revenue Code (the “Code”). All allocations are or were previously made no later than 18 months following the date the expenditure was made by the PBC or, if later, the date the “project” was “placed in service” (both as defined below), and no later than 60 days following the 5th anniversary of the issue date of the Bonds.

Background. The Bonds were issued on September 7, 2023 (the “Issue Date”) by the PBC under a Trust Indenture, dated as of September 1, 2023, between the PBC and Security Bank of Kansas City, as trustee (the “Indenture”). The Bonds were issued to finance a new library located in the vicinity of the Merriam Community Center (the “Project”). The PBC leases the Project to the County under the First Amended and Restated Lease dated October 1, 2016, as amended by the Amendment to Lease, dated as of September 1, 2023, between the PBC, as lessor, and the County, as lessee. The County, in turn, subleases the Project to the Library Board under the First Amended and Restated Sublease dated October 1, 2016, as amended by the First Amendment to First Amended and Restated Sublease, dated as of September 1, 2023, between the County, as lessor, and the Library Board, as lessee. Bond proceeds were deposited to the Construction Fund and the Costs of Issuance Fund established under the Indenture.

Sources Used to Fund Project Costs and Allocation of Bond Proceeds to Project Costs. A portion of Project costs was paid from sale and investment proceeds of the Bonds and the remaining portion of Project costs was paid from other money contributed by the PBC, the County or the Library Board, as shown on **Exhibit 1** to this Final Written Allocation. The portion of the Project financed from Bond proceeds (*i.e.*, the “Financed Facilities” referenced in the Tax Compliance Agreement) is shown on **Exhibit 2** to this Final Written Allocation.

Identification and Timing of Expenditures for Arbitrage Purposes. For purposes of complying with the arbitrage rules of Code § 148, the PBC allocates the proceeds of the Bonds to the various expenditures described in the invoices, requisitions or other evidences of substantiation attached as **Exhibit 2** to this

Final Written Allocation. In each case, the cost requisitioned either was paid directly to a third party or reimbursed to the PBC, the County or the Library Board for an amount previously paid or incurred. Amounts received from the sale of the Bonds and retained as underwriter's discount are allocated to that purpose and spent on the Issue Date. Amounts allocated to interest expense are treated as paid on the interest payment dates for the Bonds.

Placed In Service. The Project was "placed in service" on the date(s) set out on **Exhibit 2** to this Final Written Allocation. For this purpose, each component of the Project is considered to be "placed in service" as of the date on which, based on all the facts and circumstances: (1) the constructing and equipping of the asset has reached a degree of completion which would permit its operation at substantially its design level; and (2) the asset is, in fact, in operation at that level.

This allocation has been prepared based on statutes and regulations existing as of this date. The PBC reserves the right to amend this allocation to the extent permitted by future Treasury Regulations or similar authorities.

Re: Strawberry Week Society Memorandum of Understanding for Information

Issue: Partnering with organization Strawberry Week Society (Strawberry Week) to provide free period products in Johnson County Library public restrooms.

Suggested Motion: No motion necessary, informational purposes only as action will be requested at the August 10, 2023, Library Board Meeting.

Background: The Library seeks to enter into partnership with the nonprofit organization Strawberry Week, which will provide the Library a quarterly supply of period products at no charge to the Library for distribution in all public restrooms across its 14 locations. Strawberry Week seeks to decrease period poverty across the Kansas City metropolitan region by partnering with local agencies and organizations to provide free tampons, pads, and liners to the general public via schools, hospitals, libraries, and community groups.

Johnson County, KS Facilities Department does not currently provide period products to any Johnson County, KS government buildings, thus this partnership will serve to empower library patrons and increase access to our buildings by supplying often-needed products.

Analysis: The annual cost of products Strawberry Week agrees to supply would save the Library approximately \$3,171.16 on 10,000 pads and 6,000 tampons if the Library were to purchase supplies directly from County approved vendors. Staff's initial proposal also considered partnership with another distribution organization, Aunt Flow, which would have cost the Library \$4,000 annually for the same amount of product. An advantage of partnering with Strawberry Week is their willingness to increase our product quantities if it is found we need more in certain library locations. This partnership offers many advantages, including reinforcing a proactive and impactful approach to providing more seamless customer service, fostering a welcoming environment, safeguarding privacy and confidentiality by making products available without a patron needing to ask, and ensuring prolonged, comfortable access to information and library resources in our spaces.

Funding Overview: The Associate Director of Branch Services has approved a one-time budget allowance of approximately \$374.82 for containers to hold the provided products.

Alternatives: Not approve the MOU and continue to not provide period products for patrons in the library public restrooms.

Recommendation: This is being presented to the Library Board in July for informational purposes. Motion to consider this MOU is anticipated to occur at the August 2023 meeting.

Budget Review: The cost to the library will be approximately \$375.00 It will come out of the Branch Services Budget.

Legal Review: The agreement has been reviewed and certified by legal counsel.

Memorandum of Understanding (MOU) between the Johnson County Library and Strawberry Week Society

This Memorandum of Understanding (MOU) is intended to document the relationship between the Johnson County Library (JCL) and Strawberry Week Society d/b/a Strawberry Week (Strawberry Week), a Kansas not for profit corporation, in support of our mutual efforts to provide free menstrual and period products to the public in all public restrooms of the branches of JCL. This will foster a welcoming environment which deepens a customer experience designed to empower patrons to thrive and prosper through increased convenience and guaranteed access to library resources. This MOU is in effect from the date of JCL's execution below through December 31, 2023.

Any party to the MOU may terminate their participation in this MOU by giving a 30-day written notice of termination to the other party.

Johnson County Library Responsibilities

- Stock free period products in every public restroom containing sufficient counter space across the 14 branches of JCL
- Provide containers to hold products for all public restrooms with counter space in all branches of JCL at a cost to JCL of approximately \$375.00, which is the total amount incurred by JCL under this MOU
- Promote partnership with Strawberry Week via JCL channels including but not limited to the website and social media accounts
- Create signage for promotion in restrooms cobranded with Strawberry Week and JCL logos
- Recognize that Strawberry Week has limited resources and any products provided will be subject to Strawberry Week's available inventory at the reasonable efforts of Strawberry Week who must balance the needs of all of their partners

Strawberry Week Responsibilities

- Deliver pads and tampons to the Central Resource Library once per quarter
- Provide language, information cards and marketing material for promotion
- Promote partnership with JCL on Strawberry Week's social media accounts in conjunction with JCL's external communications team. Any use of JCL name, library branch facility name, or logo by Strawberry Week is subject to the prior written approval of JCL.
- Notify JCL if Strawberry Week must stop providing products with as much notice as possible

About Strawberry Week

Strawberry Week is an organization that is focused on addressing period poverty in our community through collecting and distributing products across the metro through partnership with local organizations, libraries, and schools. Strawberry Week is the only 501(c)(3) nonprofit organization that serves Kansas and Missouri whose mission is 100% focused on addressing period poverty by improving accessibility to period products to both underserved populations and the general public.

Re: Johnson County Library Strategic Plan 2024-2028

Issue: This is being presented for informational purposes in July. Johnson County Library received approval from the Johnson County Library Board in October of 2021 to renew the strategic plan for the years 2024-2028 with existing Key Performance Areas (Community, Convenience, Education, Operations, Communication). The Library has been working to update the plan, making language and definitions more approachable so that patrons, staff and the community can see themselves in the Strategic Plan and the impact of the work we are doing. This update will make reporting on our progress easier through all channels of communication.

Suggested Motion: No motion necessary, informational purposes only as action will be requested for approval at the August 10, 2023 Library Board Meeting.

Background: Johnson County Library developed the 2014-2018 Strategic Plan in 2013 by gathering community data and staff input. This Strategic Plan had three Key Performance Areas (Community, Convenience, Education). In 2018 the Library worked with The University of Kansas Public Management Center to update the strategic plan and add two additional Key Performance Areas (Operations, Community). Throughout 2022 and 2023 we have been taking steps toward another renewal of this plan, keeping our five existing Key Performance Areas, and adjusting the language as you see in the slides.

Analysis: The current strategic plan expires at the end of 2023 and new language for the Strategic Plan Key Performance Areas for 2024-2028 is being presented to the Library Board for approval in August 2023.

Funding Overview: N/A

Alternatives: The Library Board could recommend the Library take another path and not approve the new language for the Key Performance Areas for the 2024-2028 Johnson County Library Strategic Plan.

Recommendation: This is being presented to the Library Board in July for informational purposes. Approval of the 2024-2028 Strategic Plan Key Performance Areas will be requested for action in August.
